

Chapin UMC 3s' News

Week of May 11th

Dear Families,

The end of the school year is usually busy with Mother's Tea and Spring Program preparations, and we're so sorry to be missing those favorite events!

Though we are unable to meet for student evaluations this year, we're working on informal assessments we plan to share through email. We also hope to soon deliver student art and keepsakes. We'll keep you posted.

During this time away from the church building, CUMC's Wave Children's Ministry can help you keep your children connected to God's word. Kids' worship services are live streamed at 10:15 on Sundays, and you can find videos, music and parent resources on the Wave Facebook page.

We pray we'll be together for the start of school in the fall. In the meantime, here are suggestions to strengthen basic skills during the summer break:

- Highlight upper & lower case letters and first & last name. Have your child trace with crayons, markers and/or pencils.
- Draw shapes and have your child cut and identify them
- Create color patterns with blocks, crayons or matchbox cars

Have a safe, healthy and fun summer!

Mrs. Rochelle & Mrs. Kim

Memory Verse:

Proverbs 17:17

*"A friend loves you
all the time"*

Fine Motor & Sensory Activity

Hide magnet letters & numbers in a container of rice, beans or sand. Let your child dig for them with plastic utensils or toy trucks.
