

The Prayer Ministry Of Chapin UMC May 23rd, 2021

“Let us then approach the throne of grace with confidence, so that we may receive mercy and find grace to help us in our time of need” (Hebrews 4:16). No one has ever sinned against anyone with the same depth that we have sinned against God. There is much human tragedy that takes place in our lives, but nothing is as tragic as what we have done to the Son of God. Yet the Father has placed in our hearts a well of grace, and an eternal river of forgiveness flows into that well from the throne of heaven. When someone sins against us, we only need to dip a bucket of faith into the well of grace. We can raise from our hearts forgiveness that flows from the throne of heaven. In the name of Jesus, we can give our worst enemies a refreshing cup of forgiveness. At that moment something supernatural transpires. That river of forgiveness begins to flood our souls. The deep scar of hurt begins to be healed by the slave of grace. And there is no limit to the grace and forgiveness that is found at the throne of heaven. The more forgiveness we give out, the more forgiveness flows into our hearts. There is an eternal supply found at the throne of grace. For that reason prayer becomes a great adventure. It transports us to the throne of grace. Prayer: Lord God, Your grace is an endless supply as it washes over us! May a spirit of forgiveness characterize our lives as we willingly lay aside hurts and damage done to us by others. May this testimony of grace draw unbelievers into Your eternal kingdom! Thank You that we have complete access to Your lovely and powerful throne of grace as we willingly jump into the river of forgiveness over and over again. Amen.
