The Global Outreach team invites you to participate in a short term missions trip in 2019. With opportunities as close as Chapin, SC and as far away as Kenya, there is a trip to fit every passion and every budget. These trips are designed to be "life changing" events which require prayer and preparation. The following are some important points that the Global Outreach (GO) Team wants you to consider:

1. The purpose of these trips are primarily evangelistic – you are going in order to share the gospel of Jesus Christ with your words and actions.
2. Be fully committed when securing a spot on a mission trip. There are limited spots on most of these trips, and while unforeseen emergencies come up that might preclude you from attending, avoiding changes at all costs is important.
3. When choosing a trip, carefully consider the total cost of the trip relative to your personal budget. Trips vary in cost from \$100 to \$2,600 per person per trip. Your trip leader will give you guidance in raising funds for the trip.
4. Participate as much as possible in trip preparation and team meetings. These meetings are designed to build camaraderie and unity – you are a very important part of this team!
5. Have fun and let the Lord work in your life!
