

But in your hearts worship Christ as Lord. Always be prepared to give an answer to everyone who asks you to give the reason for the hope that you have. But do this with gentleness and respect...

1 Peter 3:15

Questions for you to consider as you construct your personal story of faith, to be ready to share with others, in any moment:

1. Who do you remember teaching you about God and Jesus when you were younger? Why does that person stand out in your mind? (Maybe more than one person stands out.) Where did they teach you?
2. What did you learn from those who taught you when you were younger?
3. Can you tell me about Jesus? What do you know about him? Why did he come to earth and have to die on the cross?
4. If you have been already...why did you decide to be baptized? What was that all about?
5. Would you tell me about how you are different since you have been baptized? What hope do you have now that you didn't before?
6. How do you think God is continuing to challenge you in your walk with him today?
7. What Scriptures have influenced you as you have grown in your faith so far?
