Re: Church Business Meeting – June 12, 2016

Dear Brothers and Sisters in Christ,

Our mission at Grace is to "Love God, Love Others and Make Disciples." God has uniquely called and gifted Grace to accomplish this mission by creating relationships that help people know and follow Christ. This past year we have experienced the Lord's gracious blessing as we have welcomed many visitors and new members to our church family, celebrated with those who have taken a deeper step of faith through public baptism, and witnessed lives that have been touched and transformed by the love of Jesus. We give thanks for all that the Lord has accomplished for His glory in and through Grace Baptist Church.

As church members, we have a responsibility to vote on important church business. Our annual church business meeting will take place on June 12, 2016, directly following the second service. Included in this mailing is the business meeting agenda. Major agenda items include the 2016-2017 budget, recommendation for appointment of a candidate to the Director of Worship and Arts position, as well as re-election for our church trustees. More detail on these items can be found in this mailing. We would ask you to prayerfully consider these items prior to the church business meeting. Should you have any questions related to the budget or any other agenda item prior to the business meeting, members of the Finance Committee and the Board of Elders will be available between services in room 217 on May 22 and June 5 to address those questions. You can also send your budget-related questions to Finance@GraceHudson.org, or questions on this or any other agenda item to Elders@GraceHudson.org.

Our prayer is that, as you review this information, you will see beyond mere numbers to lives that are being impacted by the Kingdom of God.

In Christ's grace,

The Elders of Grace Baptist Church
