IMPACT OF ANNUAL FUND

The Annual Fund is the most popular vehicle through which our supporters give to the clinic. We look to our donors and volunteers for their support of the Annual Fund every year in order to have an immediate and meaningful impact on the uninsured in our community.

87%

Of funding goes directly into programs and services benefiting our patients.

WHO WE SERVE

Joyce came to Christ Clinic suffering from diabetes with a blood sugar level over 600. A normal blood sugar level is below 100. Through a great patient/doctor relationship, Joyce's medication was adjusted, she attended the Diabetes 101, received other treatment and is now healthy. For \$25 per month, you can help patients like Joyce be screened and receive quality preventative care.....

"In 2012 I thought I was going to die, but Christ Clinic saved my life."

Joyce,
Christ Clinic patient

FINANCIAL IMPACT

Christ Clinic operates with no state or federal funding. The medically uninsured have been served by the clinic through support from local corporations, foundations and individual donors. For every \$1 donated, Christ Clinic is able to provide \$5 of quality medical care.
