

We are planning to hold Church Service at the church on Sunday, May 17th, at 10:15 AM. There will be no Sunday School or Bible Study at this time. If you are considered to be HIGH RISK (65 and Over or have underlining Health Issues), please stay home and watch the sermon video later in the day. We will video the sermon and publish it sometime Sunday afternoon.

First let me states some do and don't.

1. We will open for church service, for those who wish to come. It is not required that you attend, but it would be great to see you. No Sunday school or bible study at this time.
2. Social distance will be enforced. No gathering in the Narthex area.
3. Family members may sit to gather but everyone else must have at least two seats between you and the next person.
4. Every other pew row must be empty at all times. If a pew is marked "**RESERVED**", do not sit on this row.
5. Face covering is **highly recommended** but not required.
6. Hand sanitizer will be located thru out the church.
7. Offering will be collected at the end of the service.
8. If communion is served, it will be a walk by style.
9. Sharing of the Peace will be done by waving at your neighboring members.
10. We will video the sermon to be published for the ones not attending.
11. Afterward, the church will be sprayed and cleaned.

As rules are changed by the government or we need to adjust, we will have to be flexible.

If you have any questions, please call me at (832) 301-2447.

My God continue to bless us and protect us during these times!!

Ken Simpson
