

# AFTER SCHOOL AT ATC

## What's the difference between After Care and ATC After School Classes?

Before Care & After Care are extended childcare options beyond school hours.

**Before Care** runs Monday-Friday, 7:45 AM - 9:00 AM

**After Care** runs Monday- Friday, 3:15 PM - 5:30 PM

There is no need to register for this. You will be billed at the end of the month accordingly.  
See pricing on the website.

**ATC After School Classes** are extra classes offered on Tuesdays or Wednesdays.

Register your child through Procure once registration opens up. Spots are limited and the cost varies with the type of activity and supplies needed. If you need extended childcare, your child can be signed into After Care, which ends at 5:30 PM, for an additional fee.
