Student Registration:

Beginning January 23, 9:00 PM, online at atcademy.org

Enrollment begins on Wednesday, January 23, 2019, at 9:00 PM, at atcademy.org. We establish enrollment by the order in which online registration is received, with current and previous families receiving priority over new family enrollments*. It is a two-step process. Step one is securing an Enrollment Entrance Number. The link to obtain this number will be visible at 9:00 PM. Step two is completing the registration form, which can be done before or after securing an Enrollment Entrance Number. Both steps must be completed and the registration fee received before enrollment is complete.

* To receive priority, current and previous families must register by January 30.
