Open House is a time for prospective families to tour the building, meet staff, and receive information about our registration process.

Kindergarten Information Night:

Wednesday, January 10, 7:30 PM

After our Open House we will hold a short kindergarten information meeting at 7:30. Our kindergarten staff will share highlights and specifics of our 4 and 5-day kindergarten programs.

School Day Tours:

Call the office to schedule (614-890-8985). We will present a guided tour and formal presentation. Children are welcome to attend; however, parents may get more out of the tour if they are able to attend without children.

Student Registration:

Beginning January 17, 9:00 PM, online at atcacademy.org

We establish enrollment by the order in which online registration is received, with priority given to current students first, previous families, and then families new to ATC*. **Enrollment is a two-step process.** **Step 1** is acquiring a Family Enrollment Entrance Number, which secures your place in line. The link to obtain this number will be visible at 9:00 PM. **Step 2** is completing the registration form, **after** acquiring a Family Enrollment Entrance Number. By completing step 1 first, you have secured your place in line so please take your time on step 2. We base our records on the information you enter (spelling, email address, birthdate, phone numbers, etc.). Once you have finalized both steps and we have received the registration fee, enrollment is complete and we can place your child.

* To receive priority, current and previous families must register by January 22, 9:00 AM.
