CHILDCARE FOR INFANTS AND TODDLERS up to age three is provided in the **Nursery** (downstairs in the church) during both worship services. HAVE YOU EVER CONSIDERED HOSTING A FOREIGN EXCHANGE STUDENT? If so, please stop by the **Coffee Hour Connection Table** today during *Coffee and Fellowship*. Scot King, a friend of our congregation, is looking for host families for students traveling from Spain and France to the United States for 3 – 4 weeks this summer. The students will arrive on June 27th and stay through July 26th. Scot has been coordinating host families for 21 years and has helped place over 750 students. The students, who are ages 14 – 17, have a desire to learn about the American culture as well as improve their English. The students are motivated, English proficient, fully insured, and have their own spending money. The basic responsibility of the host family is to provide a bed, food, and lots of TLC by allowing the student to feel like a part of the family. Please contact Scot at (732) 892-2571 or [Scot4Camille@gmail.com] for more information.

PAINT THE TOWN PINK: We have partnered with Hackensack Meridian Health to "Paint the Church Pink" for the month of May and remind all women age 40 and older to have an annual mammogram. Stop by the **Coffee Hour Connection table** today during *Coffee and Fellowship* and chat with Barbara Reitmeyer as she hands out literature on this very important topic.

YOUR PRAYERS AND CONCERNS ARE REQUESTED FOR:

MISSION PARTNER: Today we ask that you pray for the Reformed Church World Service, which was originally formed in 1944 to help meet the needs of people after World War II. RCWS is a ministry of compassion and hope, whose purpose is to work with partners such as Church World Service, to alleviate hunger and poverty and to seek justice for people around the world. They provide emergency relief in the form of tents, blankets, water, emergency health care, food kits, school kits, baby kits and health kits to disaster victims and others in need of immediate assistance; for people who have lost their homes and/or jobs, they participate in rehabilitation through the establishment of food pantries, volunteer mission groups who assist with rebuilding efforts, income-generation projects, education projects and health clinics; they encourage development of longer term remedies for hunger and poverty; and they advocate for the poor and needy people of the world.
