

Welcome to reMARKable Women ministry!

"...having believed, you were marked in Him..." ~ Ephesians 1:13

What is this "mark"? The scripture goes on to tell us we were marked with a seal, the promised Holy Spirit. In times past, people used to mark a clay seal with their fingerprint to authenticate the enclosed document. The fingerprint was used as a very personalized signature. When God marks us, it's as if He leaves His fingerprint or "signature" on us that says, "YOU are mine."

Not only does this mark give us a VIP pass into His eternal kingdom, but God continues to mark us in how the Holy Spirit transforms area after area in our lives. His fingerprints are all over us as He claims, "THIS part of you is mine now, this part, & this part...". *That* is how we become reMARKable Women! He takes us from re-deemed, to re-marked, to **reMARKable**!

Not only does God mark us, but He allows us the privilege to be part of the "marking" process on others as well. Therefore, we go forth to leave a mark, but it's not our mark we're leaving. It's His.

It's all about *Jesus*.

It's all about the **MARK**.

*Join with us as we explore the opportunities to further let God mark our lives and to help us leave His mark on others. After all, it's His mark that makes us **reMARKable Women**!*
