

## Wednesday Evenings (3/21 - 4/25)

**CONTENT** for this session. Overall, the content provided through each CULTIVATE session is designed to help us GROW DEEP in a particular aspect of our faith in Christ. Our goal is greater growth so we can be even more equipped to LIVE OUT faith. In the end, it's about "deeper roots for faithful living" (see Colossians 2:6-7).

During these 6 weeks, we are offering two classes – but, they're not really choices because there's only one option available for you 😊!

### Class for WOMEN:

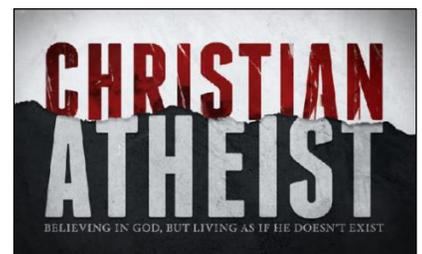

### **"The Pursuit of God" (book written by A.W. Tozer) Led by Debbie Nelson**

We are to have hearts that long for and chase after God. Yes, He has pursued us and continues to do so; but, a life of faith is also about our pursuit of Him! The writer of Psalm 42:1 compares this search to that of a deer looking for streams of water ... so should our quest for God be. *The Pursuit of God* is a well-known and well-loved classic.

### Class for MEN:

### **"The Christian Atheist" (book by Craig Groeschel)**

Saying we believe in God doesn't always lead to a life that *practically* demonstrates that claim. This class will help us consider ways we might struggle with this in our own journeys of faith. Even more than just diagnosing the reality, we will be considering ways we can grow so that we are truly living out a more authentic life of faith in Christ. Sessions will include video and discussion.

**DATES/TIMING of this session.** This will be a six-week session (the last one before our break for May through the summer months) – **March 21 through April 25.**

As is typical, we will serve a meal each week from 5:30-6:15 with the content/ministry programming starting at 6:30. We will finish by 7:45.

**PROGRAMMING for KIDS and YOUTH for this session will continue on as it has been.**

Kids up through age 3 will be in the nursery area for childcare.

Kids age 4 through 5<sup>th</sup> grade will continue on in their participation in a curriculum called “**Jesus 4U.**”

Middle school and high school students likewise will continue what they’ve been doing as well, perhaps including some service opportunities during this six-week session.

**Wednesday evening MEALS.** We will continue making meals available for the sake of convenience as well as for an opportunity to fellowship with others in the church family. Here are some details regarding the meals:

As it has been recently, the cost for each meal will be \$3/person with a max of \$12/family. There is no real need to RSVP this time for meals unless you haven’t been coming and plan to join us for supper during this session. If that is the case, please let the office know so we can properly prepare.

**We hope you are able to join us for this CULTIVATE session!**
