

Southland's 2017 VBS

**July 24-27
6-8pm**

As we gear up for VBS, we want to identify some specific ways you can be involved:

1. **VOLUNTEER!** If you haven't volunteered yet, contact Jon to find out how we could use your help during the week.
2. **DONATE!** Especially if you cannot be here to help during VBS itself, this is a great way you can still be involved. At the display in the foyer, you can see some of the supplies we will need for the week. Whatever you can purchase and return by July 9 would be great (see the instructions at the display for specifics)! If you would rather make a money donation to help, you can get that to Jon.
3. **REGISTER your child(ren)!** We want everyone to register online this year. Go to www.gosouthland.org/vbs to do that. Of course, let us know if you need help doing that. As a reminder: VBS is for 4 year-olds through 5th grade. We also invite 3 year-olds from SCC families to participate and we provide nursery care for workers' children ages 2 and under.
4. **SPREAD the WORD!** Let your family, friends and neighbors know about VBS. It's a great opportunity for us to introduce families to Christ and Southland.
5. **PRAY!** Within our children's ministry, VBS is an important event each year. We want to make sure it's covered in prayer. Pray for those who are preparing for the week. Pray for safety, good weather, etc. Most of all, pray that the hearts of our young people would be receptive to learning about what it means to follow Jesus!
