** Note regarding starred verses: I omitted verses 26-35 from Proverbs 23 (Day 31) due to the sensitive nature of the topic. Use your own discernment as a parent to decide if these verses can be shared with your family.

This also applies to:

Proverbs 5 - Some of the sensitive topics covered in this proverb may not be suitable for young ears. Day 6 and 7 alternate readings: Split Proverbs 4 into tow days, 1-13 & 14-27

Proverbs 7 - Most is not listed in the reading plan because it also addresses a mature topic. I omit these verses for my young children, but you may decide to read them in your family.
