# ONE MORE

**Jesus said, “I tell you  
that in the same way  
there will be more  
rejoicing in heaven  
over one sinner who  
repents than over  
ninety-nine righteous  
persons who do not  
need to repent.”**

LUKE 15:7

Fergus Falls First Church of the Nazarene, what we now call "The Naz" was started in 1923 for the purpose of reaching those far from God with the Good News of Jesus Christ. Since the day of its inception, The Naz has attempted to live out a love for God and a love for others.

The church is God's people, redeemed through Jesus' sacrifice and living out God's purposes together. It is not about us, but about what God wants to do through us to reach others with the Gospel of Jesus Christ.

It has been our mission to reach the "10/44" in Fergus Falls and Otter Tail County. We believe there are 10,000 people in Fergus Falls and 44,000 in Otter Tail County who do not have a church home.

To reach the 10/44, The Naz has a vision for starting satellite churches. We must first expand the Sanctuary and Gathering Spaces at the Fergus Falls campus. We have completed the remodeling of the NazKidz and 412 Youth Ministry spaces so children and youth may learn they are loved by God and have a God-given purpose to their lives. We also will continue to provide ministries for the broken, addicted and those held captive to be set free. ONE MORE is about providing opportunities to reach one more person, marriage, neighbor or co-worker whether they are lost, broken or marginalized so they may find their home and hope in our Lord and Savior, Jesus Christ.

We invite you to join us in this vision to share the good news of Jesus Christ, so that we may reach ONE MORE!

Reach, Raise and Redeem,

Pastor Clay

# VISION

---

We exist to encourage all people to know the love of Christ. Jesus invites us to pursue ONE MORE. We are here, not for ourselves, but to love and serve others so that they might be found by the One God who loves us all.

**Our vision is to build additional spaces where we can continue to reach One More and grow together as the body of Christ.**

**ONE MORE is a two-year generosity initiative that calls us to give boldly so that we can join God in his saving work in the Fergus Falls community and Otter Tail county.**

# OPPORTUNITY

---

Over the last 20 years, more than 40 million Americans have stopped worshiping God. Just in our community alone, we believe over 10,000 people do not go to church. Yet, The Naz has been unique among Fergus Falls churches. Our story has been one of continuous rejoicing and growth ever since we opened our doors. As Christians, we have a calling to pursue The Naz's mission to Reach People for Christ, Raise Christlike Disciples and Redeem Culture. Today, we have an opportunity to add to our current location to fulfill that mission, so that others can come to know the radical, life-transforming love of God in Jesus Christ.

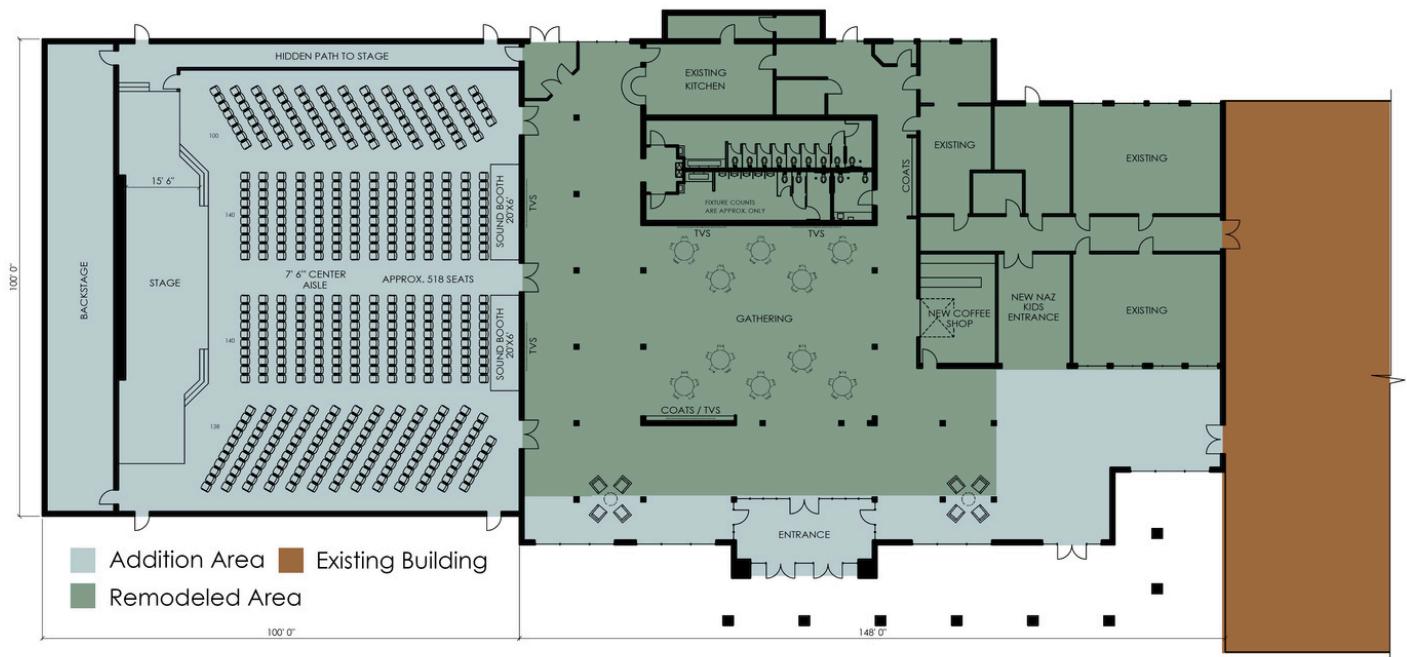

# FLOOR-PLAN

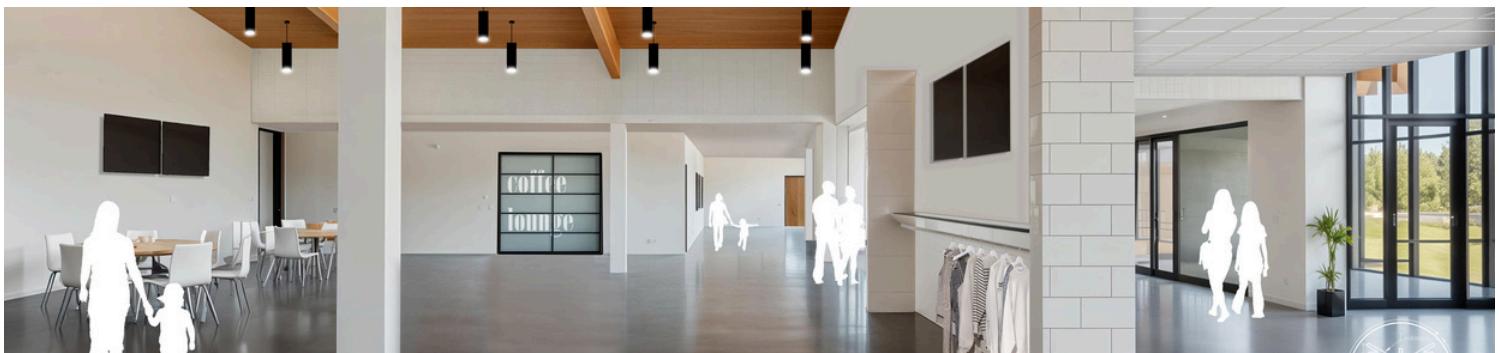

The Naz finds great value in the voice and wisdom of our people. Pastor Steve and our Board led the process of developing the new facility floor plan.

The Board facility team has been working on this project for several years, evaluating many facility options and working with possible builders/architect providers. The board subsequently chose ZCon as the lead builder for this project.

ZCon and their architect team has spent a great deal of time fine-tuning all the major areas of the floor plan. It was essential for them to work alongside the board members to bring this dream to life.

The Naz staff also played a key role in determining the needs for transformational worship, enhanced community, growing significant relationships, expanding outreach to youth and preparing for future growth in all areas.

# NEXT STEPS

---

**PRAY** - This vision is large and cannot be accomplished without tremendous and persistent prayer. We need everyone to commit to prayer in this season. Pray for our youth, our volunteers, our Pastors and staff, our congregation, the lost and the broken and for the one that does not yet know Jesus. Ask God how he wants you to participate in this initiative and then trust him to provide all that you need.

**ENGAGE** - Fulfilling God's mission cannot be accomplished by the few but by all of us standing together serving and engaging in new ways in our congregation. We believe this is a defining moment for Naz families to engage God's mission with joy and purpose so that more people might know, follow, and share Jesus.

**GIVE** - Generosity reflects our heart and the image of God because it joins us to His work in this world. We want everyone to follow what God puts on their heart as we give together to accomplish what He wants done.

**ATTEND** - February 1 through February 22 we encourage you to join us in worship each week for our sermon series, One More. During this time, we will talk about how God continues to reach One More, and how we can join Him in reaching those around us.

**ANTICIPATE** - Commitment Sunday is February 22! Let's see what God can do!

# 9 CREATIVE WAYS TO GIVE

## UPGRADE LATER

Delaying a phone upgrade or tech purchase for one year can save \$50–\$70 a month. That's \$600–\$840 that can go directly toward the ONE MORE campaign.

## CUT OUT THE FAT

Have premium movie channels in your cable package? Cutting those out or even downgrading one "tier" in your package could save you nearly \$1,000 in 2 years!

## GIVE FROM YOUR EXCESS

There are individuals that may have collections, savings, investments or other areas of stored resources.

## DELAYED GRATIFICATION

Wait for a movie to come out on DVD. Two trips to the theater per month for two people at an average of \$25 would equal \$1,200 per year.

## CLIP & SNIP

Clip those coupons! Saving \$30 per week on food purchases for two years would yield \$3,120!

## KICK THAT HABIT

Have a coffee shop habit? One specialty coffee per day for two years equals around \$2,900.

## DELAYED GRATIFICATION

Wait for a movie to come out on DVD. Two trips to the theater per month for two people at an average of \$25 would equal \$1,200 per year.

## PRESS ONWARD

Have a bill payment you are almost finished with? Commit to continue to "pay the bill" by redirecting the money to the ONE MORE campaign.

## REFUND!

Commit to give your income tax refund check for two years.

## PRAYER OF STEWARDSHIP

---

"The earth is the Lord's, and everything in it,  
the world, and all who live in it"

-Psalm 24:1

Lord Jesus,

Thank You for challenging me to examine my heart regarding what you have put me in charge of, my money and my possessions. I confess that too often I have placed my trust in wealth rather than in You. Forgive me for the times I have withheld from You what is rightfully Yours.

Help me see everything I have as a gift from You, entrusted to me for the advancement of Your kingdom and for Your Glory. Give me the wisdom and the courage to give faithfully, not out of obligation but as an act of worship, trust, and obedience. Show me Your faithfulness as I step out in faith, and transform my heart so that I will find my security, significance, status, and strength in You and You alone. May my financial choices reflect that You are truly the Lord of my life.

In Your name I pray, amen.

### **What is ONE MORE?**

ONE MORE is an initiative aimed to fund the priorities of The Naz mission for the next two years plus funding the Sanctuary and Gathering Space expansion. We want to grow in faith and generosity so that we can provide energy, resources, programs, and staff related to these essential core values. We believe that God will draw people to Christ through these expanded areas and our own generous discipleship. We are all here at this moment in time at The Naz for a reason - ONE MORE will help all of us take steps to strengthen our church and lean into God's purposes for us.

### **Why are we doing this now?**

The Naz is at a crucial point of growth and momentum. By establishing more worship and gathering areas, we are aiming to increase discipleship opportunities to more people in our city.

# FAQs

## How does this work with our regular Naz Ministry budget?

ONE MORE is a unified giving initiative in support of our mission and ministries at the same time. ONE MORE's financial goals include both regular annual giving and expanded giving toward new capital projects and ministries. All money given will be used first to fund ongoing ministry expenses throughout The Naz, and second to fund the expansion project for Sanctuary and Gathering spaces. Our annual ministry budget for 2026 and 2027 will be \$1.3M each year as well as \$3.5M over two years for the facility expansion. This means The Naz will need to raise \$6.1M total in the next two years to begin this project.

## How is ONE MORE different from other campaigns we've done at The Naz?

It is has been years since we engaged in a capital campaign here at The Naz. So, it will be a new experience for most of us!

## How does the financial goal compare to current giving at The Naz?

This initiative will invite new and existing givers to think creatively about generosity over two years. While we don't know exactly how God will provide, The Naz has spent months in prayer and financial projections with wise counsel, and we believe these numbers are achievable for a church of our size. Throughout our 103-year history, God's people at The Naz have stepped up to fund expanded visions for the future of our city and church, and we're excited for what God will do next.
