## **Easter Holiday Hosting with PRISM**

April 1, 2018

Easter hosting is a great way to bless international students and to give them a chance to learn about American culture and enter into the home of a Christian-American.

Hosting includes: picking your student up (if needed), taking them to church with you if possible, having them to your home for a meal, and returning them home. Simply include them in your family traditions!

To Register, please go to our website <http://www.pghcommission.org/holiday-hosting.html>, and click the link for the sign up form at the bottom of the page.

If you have any questions, you can contact Bethany
