

Women’s Ministry- Anchored and Reaching Out!

Our mission in Women’s Ministry is to invite women into a relationship with Jesus Christ, equip them to become disciples of Jesus Christ, and to encourage relationships marked by love and serving others.

*****“Let us consider how to stir up one another to love and good works, not neglecting to meet together, as is the habit of some, but encouraging one another- and all the more as we see the day approaching.” Hebrews 10: 24-25

Women were uniquely created to be in relationship to support and encourage one another. At Hebron, Women’s Ministry provides opportunities for women to come together to grow in community and spirit alongside one another at quarterly large group events, groves, or smaller groups as needed to worship, learn, and share their lives with one another- we would love if you would consider participating! Each woman’s has the potential to be used by God when she makes herself available. Let’s be the church together!

Women’s Ministry is also kicking-off 4 teams this fall to better support and serve the women at Hebron!

Assimilation Team: We don’t want any woman slipping thru the cracks- help us get women engaged and integrated into ministry here at Hebron.

Building-Up Team: The spiritual growth of women is at the heart of what we are about. This team will coordinate with Hebron’s Discipleship Team to focus on intentional steps to deepen women’s relationships with Christ and support those women who are leading groves.

Care and Comfort Team: Women in need of extra care and attention require people with compassion that want to intentionally fulfill Christ’s mission of caring for others.

Devoted Dudes: We want to make sure ALL women are able to participate in opportunities to grow and connect. It would be a blessing to have some ‘devoted dudes’ to provide childcare during women’s events (appropriate clearances required).
