~ *Welcome* ~

We are glad you chose to worship with us today!

We want your time with us to be meaningful and worshipful. Our services include worship through song, sharing in Communion and an offering, along with a message from God's Word. There will be an invitation to respond to the message as God may lead you.

Communion, or the Lord's Supper, is observed each Sunday following the example of the early church. The bread and juice represent the body and blood of Christ offered in our place on the cross. All immersed believers are invited to take part. **Please hold the bread and the cup to participate in unison.**

For your convenience, we will pass the plate to collect your gifts and offerings, or wooden boxes are in the back of the Worship Center and in the lobby to put your tithes in. We also offer online giving via our website, www.centervillechurch.com. On the home page, click on **my ccc** on the bottom left to go to the page with instructions on how to set up an account. If you are a guest, you are not expected to participate in the offering, but are welcome to.

If this is your first time here, please help us get to know you by filling out the **Gray Connection card** located in the chair back in front of you. After the service, take it to the person at the kiosk in the lobby to receive your gift. Thank you for attending!

Hearing devices are available. Our **Welcome Center** hosts can assist you with these.

Feel free to contact us in the church office at 765/855-5176 with questions or to talk to one of our staff. We would love to partner with you in your next steps in life and in your journey with God.

Under the Lordship of Jesus Christ, Centerville Christian Church is a *growing* community of believers, continually *transformed* by Grace, and passionately *engaged* in outreach.

She Reflects: "Our culture says happiness is found by pursuing pleasure. God says happiness is found by pursuing Him. God wants us to be happy, and this happiness comes from pursuing and knowing Him. It's what He tells us in the Bible.
So many people view God as a means to happiness, like it's God's job to provide them with what they need to be happy. No. We don't have God so He can give us blessings to make us happy; we have God, and He is the greatest blessing, so He makes us happy.
So we don't pursue pleasure; we pursue God. Happy people don't chase after happiness; they chase after God, and happiness catches them."
