KONNECT KIDS

PRE-K: THE BRAVE AND BEAUTIFUL QUEEN

In March, our pre-k and kindergarten kids will learn the story of Esther, the beautiful queen who saves her people. Kids will learn lessons about being brave in this colorful series, "The Brave and Beautiful Queen".

The Bible App for Kids Curriculum brings all the elements your preschoolers love best— songs, animated characters, and an interactive host—together in a curriculum designed to work in tandem with the stories in Bible App for Kids. Visit www.bible.com/kids to download the app.

ELEMENTARY (1st-5th): COURAGE

Compared to Bible heroes and superheroes, it may seem like a regular kid might not have courage. During the month of March, we'll learn what courage really is and how God can empower all of us when we trust in Him.

Courage is bravery in the face of fear, doing what's right even when no one else is, never giving up on the directions God has given us, praying to see God's promises come true, and giving up everything in our lives as a sacrifice to Him.

If you would like to help with kids or teens, please talk to Ben about ways to partner together.
