

STUDENT GROWTH GROUP COMMITMENT

THE PURPOSE

- To connect with God and one another more deeply. Through a small group (2 adults and 3-5 teens), we will support each other through prayer, encouragement, and accountability, and strive to follow Jesus more closely together.

THE PLAN

- We will meet every other week for 1 hour for Bible study, prayer, and deepening our relationships with one another.
- We will be honest and vulnerable with each other and keep what is said in the group confidential. We understand that gossiping about what happened in the group to others will result in removal from the group.
- We will strive to know God on a personal level through other Bible reading, prayer, and other holy habits.
- We will strive to be active in a local church congregation and use our gifts to help serve the body of Christ.

THE PROMISE

After reading "The Purpose" and "The Plan" what is your understanding of what a Discipleship Group should be?

What do you hope to accomplish by being in a Discipleship Group this year?

I understand the purpose of Discipleship is to deepen my relationship with Jesus. I know that this group is a commitment, and I will do my best to keep it a top priority. Through it, I will hopefully grow and mature in Christ and help the others in the group do the same. I also understand that failure to keep the objectives listed in "The Plan" could result in my quitting of the group. I will make the commitment to be a part of a Growth Group through May.
