B.I.A.S.T.

Our midweek program for students in K-4th grade will be kicking off in September and we are looking for some adult leaders to join this growing ministry!

This is a great way to connect with students as they learn about God through Bible stories, songs, and activities.

Please contact Kelly Boranian (570-0680) or see the table in the foyer for more information to discover how you can be involved.
