HELP Needed. We are in need of helpers for the **Sunday Morning Welcome Center** before first and second services. Volunteers are needed to direct our guests. Contact Tiffany Dennis at 330-206-0445.

Technology Upgrades for the Sanctuary. You may have noticed recently that our sound board has been giving us a bit of trouble during services. In addition, both the sound and lighting systems are at the end of their usefulness. To ensure that we can continue to provide a quality worship experience, the church board has approved the upgrades for these essential systems. As you can imagine they are quite costly to replace. If you would like to make a donation toward this specific need, please mark your gift **"Technology Upgrades"** (option available online too). Your generosity toward these improvements is greatly appreciated and will help enhance our worship services for years to come.

Learn to play pickleball and enjoy community and fellowship.
