

REOPENING OF CHURCH FACILITIES TO SMALL GROUPS ▪ GUIDELINES

On June 12, the State of Indiana entered Stage 4 of the *Back On Track Indiana* plan. Accordingly, we are reopening our facilities to small group meetings with the following guidelines. Small groups, such as Bible studies, prayer meetings and youth group meetings, may use the facilities starting June 15.

1. Schedule Your Meeting through the Church Office

- For those wishing to meet in small groups, the group leader/meeting organizer should schedule the meeting through the church office. This will allow us to ensure the number of people in the building at any given time remains at a safe level. Call the church office (317-580-9020) or send your request by email to:

2. Follow Indiana's Social Distancing Guidelines During Your Meeting

- Face covering use continues to be recommended by the CDC and the State of Indiana in Stage 4 (except for children at or under the age of 2).
- Select an area for your meeting with ample space. A larger area or room is recommended to enhance ventilation and social distancing.
- Maintain an appropriate distance from one another (the recommendation continues to be 6 feet).
- At the conclusion of your meeting, obtain supplies from the church office and sanitize the area used for your meeting.

3. Provide Online Meeting Access

- Seek to utilize an online meeting tool (such as Zoom or Google) to allow individuals wishing to participate that are either in a higher risk category or that might be uncomfortable meeting in person, to participate.
- Your church office coordinator can provide the Wi-Fi passcode.

CONCURRENT WORSHIP SERVICE

Beginning Sunday, June 21, the Commons Area will be configured to accommodate more people wishing to worship at Christ Community Church. There will be a live stream of the worship service on closed-circuit television in the Commons Area. The Commons Area is planned to be more suitable for families attending with small children. Seating will be spaced to adhere to social distancing measures and our face coverage recommendation will continue to apply. Continue to register your attendance via the weekly email link prior to the worship service.
