WELCOME!

Here at Porterfield Day School, our experienced and loving staff provides children (2 years-Pre-K) the opportunity to grow through the use of a curriculum known as the "ORANGE" curriculum, which is taught in the form of monthly themes and units. This curriculum has been designed to help students master various age appropriate goals and objectives. Additionally, we provide a positive environment for Christian education while enhancing or introducing the role of the church as a meaningful part of the lives of families with young children.
