## WELCOME!

Here at Porterfield Nursery School, our experienced and loving staff provides babies (6 weeks-under 2 years old) the opportunity to engage in creative play, buggy rides, outside time (1 year olds), and adorable crafts. In addition to fun play time, our babies are able to enhance their social learning skills through music time and book time. We welcome parents/guardians the opportunity to come visit our Nursery School! For more information, please contact Kathryn Dutcher, Director at 229.518.4782!
