

Welcome to Westside

It is a privilege to be able to worship the Lord together. Whether you have been a part of this church family for all forty-nine years of our existence, or this is your first day with us, we're glad you are here. None of us know what is in front of us. Let me encourage you with a very simple truth. Jesus is in front of us, we can trust him when he says to us, "Come follow me." Wherever we end up in the future the Lord will have preceded us there. And we get to do that as a church family.

I know that any of our pastoral team would love to meet you & answer any questions you may have about Westside ministries & life. If you are visiting & would like to know more about us, please take a moment to fill out the perforated piece of our bulletin and drop it in the offering plate at the back of the sanctuary. You can help us know how to answer your questions. We will get back to you! Today, join with us as we lift up our worship of the Lord. He will be with us!

In His Name,
Pastor Dave Shore, Lead Pastor

The Power of Prayer

Westside Prayer Tool

Westside recognizes the value of prayer.

It is key to our relationship with God.

Thessalonians 5:17 encourages us to "pray without ceasing." Prayer is communication with God and is unique to each person. This new tool offers various prayers for users to sample & use to enhance prayer time.

Each month, we will add new options, including guided prayer times, evening prayers, & focused prayers for you to implement & share. **New This Month: Marriage Blessing & Prayer**

Access this tool in the church app through "Audio Prayer Resource" under Groups. Click on Resources & choose the prayer you want to listen to. These prayers will also be accessible on the Westside YouTube channel. Questions? See DaVonne or Pastor Kathy.

Can we pray for you?

If you have a request you would like for us to lay before the Lord, please contact the church office.

Venezuela—South America Region

The Church of the Nazarene established work in Venezuela in 1992 & has been effective in planting churches that seek to live the life of Christ & bring transformation & hope.

Recent years have seen significant movements of refugees from neighboring countries into Venezuela, while large numbers of Venezuelans have sought refuge across Central & South America, hoping for a better life. These relocations have led to a growing poverty rate, reported at 82.4% in 2023. This means over 50% of Venezuelan households are living in extreme poverty. While this leads to uncertainty & instability, it also opens many doors for sharing the love & grace of Christ to those who have lost hope. The Church of the Nazarene is committed to raising up a generation of children & youth who look outwards in missions & live with generosity, grace & commitment to be Christlike in their generation. Please be in prayer for the Nazarenes in Venezuela as they face many difficulties & challenges.
