

# Welcome to Westside

Welcome to the house of God. It is a privilege for all of us to come together and worship together.

I know that in our culture we have so many choices of what to do. I believe that today we made a good choice to be together.

If you are here for the first time I would really like to meet you and yours. Our pastoral team could answer any questions you might have about the church, ministry to students, discipleship classes, or fellowship opportunities.

Westside Church of the Nazarene is in her 50th year on this side of town. We're thankful for all that we have experienced, and very excited about what is in front of us.

Hopefully this day will be memorable for all who gather!

You are loved!  
Pastor Dave Shore, Lead Pastor

**ARGENTINA**

Two couples are remembered as the initiators of the work in Argentina. Missionaries Rev. Frank & Lula Ferguson along with Rev. Charles H. & Catalina Miller arrived in 1914. They are described as being passionate evangelists, willing to sacrifice whatever it took to reach the inhabitants of that nation. On Sept 3rd, 1919, the Church of the Nazarene became official in Argentina when the Millers opened their dining room for public church services & prayer meetings. Dr. Lucia de Costa was the first Nazarene converted in Argentina. She became a professor, pastor, & missionary. In 1981, during a sermon at the seminary, she challenged future pastors by saying, "We did the work with much less; you have more, so do something bigger." Today, there are 18 Nazarene missionaries living in Argentina supporting the country, field, region, & seminary.
