Grace Church,

Thank you for all the kind words and the ceramic angel after my father's passing. We appreciate the comfort and support of our church family.

Grace Church Family,

Thank you so much for the plant, the comforting words, the cards, but most of all the prayers.

I probably wore my Sunday School class and Small Group out with all the prayer requests during my brother's battle with cancer and in his passing.

Each and every one was truly cherished and I thank God for you!

Grace Church,

Thank you so much for the beautiful flowers sent during my hospital stay.

Thank you for the kind card sent to me by all the staff. This was very special and an encouragement to me.

It was also great to visit with Mark when he came to the hospital to check on Mom and I.

We appreciate you all.

Dear Grace Church Family,

Thank you so much for your prayers, calls, texts and for the sweet balloon arrangement while Tomm was in the hospital, we love and appreciate you all!
