I-20 Informational Guide

General Purpose:

Zion Lutheran School is a ministry of Zion Lutheran Church in Anaheim, California. Zion's mission statement, "**Sharing Christ, Changing lives**" is an integral part of how we try to shape and mold your child for a lifetime of dedication to Christ, integrity, and excellence. **One of the ways Zion Lutheran Church and School can further its ministry and share the love of Jesus to children is to extend this opportunity to international students. These students will come to Zion and be exposed to the Gospel message of Jesus Christ, while continuing to become a well-rounded student. These students will return home and be able to share their experiences, their faith, and their Lord with family and friends.**

Benefits of Choosing Zion:

Zion offers a wide range of benefits for international students who choose to attend. In addition to having the highest accreditation through the Western Association of Schools and Colleges (WASC) and the National Lutheran Schools Accrediting Commission (NLSA), they only hire teachers who have a passion for Christ and a passion for teaching. International students will be treated with care and concern, and given assignments that facilitate academic growth. They will interact with students, teachers, and staff members on a daily basis, allowing them to grow socially, gain a better understanding and ability to use the English language, and to participate in a variety of activities that will further help them become well-rounded students. Most importantly, they will have the opportunity to develop their relationship with Jesus Christ.

Authorization and Guidelines:

Zion Lutheran School is authorized through the Student Exchange Visitor Program (SEVP) to issue I-20 forms and accept full-time international students. Zion will accept international students in grades K-8. International students are subject to the same rules and expectations as those students who live in the United States and attend Zion. Please note that there is an additional cost associated with attending Zion Lutheran School as a full-time international student.

Cost/Conditions:

Zion Lutheran School has an inclusive tuition rate for its international students. The rate, while higher than the standard tuition rate, provides for the added time commitment involved with handling international students as well as the extra benefits put in place for them.

For international students to attend Zion Lutheran School, I-20 information must be entered and maintained. This I-20 process takes time. A "Buddy System" will be necessary for our international students. A "Buddy" will be assigned to each international students admitted. This "buddy" will help the student to acclimate to Zion Lutheran School. In addition to the "buddy", the school principal and the classroom teacher(s) will personally help international students adjust to the Zion environment on an as needed basis, and will communicate regularly about progress.

In addition to the above, the rate will include the following: All curriculum, technology fee, foreign language fee, a bible, an assignment agenda, a yearbook, a spirit shirt.

Cost/Conditions Continued:

All I-20 students are recommended to have an outside tutor to help assist with language, acclimation, and homework. Since at the current time, Zion does not contract with a particular tutor to meet your I-20 students' needs, it is asked that approval of the tutor be obtained from Mrs. Nagy, the school's Principal. Understand that depending how developed the student's language skills are, a modified curriculum/ report card may be used. This means that a student may not be mastering all subject matter, but at first will instead be working on mastering language skills. Each student will be assessed on an individual basis, and parents/ guardians will be kept informed about the expectations.

The annual International Student rate is \$12,750 for the 2019-2020 academic year. A \$250 non-refundable Application Fee is due when the application is submitted to Zion. Furthermore, a \$500.00 non-refundable Registration Fee will be due once the student has been accepted and the I-20 is issued. These fees will be deducted from the overall cost. The remaining tuition balance of \$12,000 is to be paid in full as soon as the student receives his/her Visa. A copy of the new Visa needs to be sent with the remaining fee before initial attendance.

Zion Lutheran School only allows a small percent of international students to come and study and our school. It also makes financial commitments each school year based on the number of students in attendance. When a student leaves Zion Lutheran School, there is increased difficulty in meeting our various financial responsibilities. Your financial obligation to Zion Lutheran School is for the full amount listed on the tuition contract and is non-refundable.

Frequently Asked Questions

How do we apply to Zion Lutheran School? Applications are available in our office – simply follow the provided instructions. There is no application deadline, but we do encourage you to apply as early as possible. If the student has been accepted, you will receive your I-20 at that time also.

DO NOT SUBMIT ORIGINAL DOCUMENTS – Always provide copies of personal documents.

WHAT IS AN I-20 and what do we do when we get it? An I-20 is a U.S. Government document that is needed to apply for the F-1 Student Visa. Once you get the I-20: pay your I-901 fee (website below) and make appointment at your local US Embassy (website below) to apply for the F-1 Student Visa. (This can be done up to 5 months before start of school).

WHAT IS AN F-1 and what do we do once our student gets their F-1? The F-1 is the “Student Visa.” 1) fax or email copy of F-1 to school. 2) Make travel arrangements – NOTIFY SCHOOL OF ARRIVAL DATE. Students are allowed to enter the U.S. 30 days before the start of school, NO EARLIER. Bring I-20 whenever traveling. 3) Submit remaining fees, immunization updates, health form, proof of medical insurance and meet with the international coordinator, before starting school.

What if my student already has a valid I-20 & F-1? (He or she would be a “transfer” student from another U.S. school). Fees are the same. You must finish all documents and fees before the previous school is asked to transfer the I-20 to Zion.

What if my student doesn't speak English very well? All international students must speak and understand a good part of the English Language. We do suggest the student gets an afterschool tutor. (we can provide a list)

What about our student's grade level placement? The Principal, along with the Admissions Director, will review the student's grades, recommendation letter, and following the Skype interview, will recommend the grade level that they feel is best for your student's success. Most international students choose to repeat the grade they were in back home. This is to enable them to strengthen their English and fulfill grade requirements as well as their level of ability.

When is school in session? Our school year starts in mid-August and ends in mid-June. Our students are in class Monday-Friday, 8:15-3:00 (K-8). We have an after school care program for K-8th graders. We are on break 1 week in November for Thanksgiving, 2 weeks in December for Christmas, 1 week in the spring for Easter, and 11 weeks in the summer. We also have a summer camp program which is also available for our younger children. The students cannot leave school early for a vacation or return after the start back time. They must follow the school calendar and only have off the days listed above.

How do we find out about school news and announcements, holidays, grades, final tests, events, sport schedules, etc? Please refer to the school website at www.zionanaheim.com for important school information and to see the school calendar, handbook, etc. You must check this website regularly.

Medical Insurance: Medical insurance is mandatory for all international students as well as all immunizations must be up to date. We also require a health exam once the student arrives in the U.S.
