

ParentsWeb Login

Guide to creating a ParentsWeb Account

- 1) Begin by visiting: <https://logins2.renweb.com/logins/ParentsWeb-Login.aspx>
- 2) Click on "Create New ParentsWeb Account":

A screenshot of the ParentsWeb Login page. At the top is the FACTS logo. Below it is the title "ParentsWeb Login". There are three input fields: "District Code:", "User Name:", and "Password (case-sensitive):". Below the password field is a link "Forgot User Name/Password?". There are three buttons: "Parent", "Student", and "Staff". Below these is a "Login" button. At the bottom, the link "Create New ParentsWeb Account" is circled in red, with a red arrow pointing down to it from the "Login" button area.

- 3) Use District Code: **ZL-CA** and input your email address, then click "Create Account".

A screenshot of the ParentsWeb Login page. At the top is the FACTS logo. Below it is the title "ParentsWeb Login". There are two input fields: "District Code: * Required" (with "ZL-CA" entered) and "Email:". Below the email field are two buttons: "Create Account" and "Back to Login".

An email will be sent to your email address confirming your registration. Access your email inbox within 6 hours to complete the registration process by creating a new password. Once successful, log back into the website for access to your billing account.
