

A word from our Worship Minister

I have a friend who refers to himself as a 'Man of a Certain Age.' You laugh, I laugh but I know my yearly physical is coming up and I will hear those words again, 'Mediterranean Diet and Exercise.' Now this is not an article about the diet because for those who know me, I love a good Tenderloin sandwich.

Let me pass along something that has been surprisingly enjoyable for me. I have found that my love for Worship music and a desire to begin my days with a good devotional thought can be combined with a little exercise. Several of us at LCC have been listening to a daily devotional from the Worship Initiative. A simple 15-to-20-minute devotional thought based in scripture and a song has proven to be a great start to my day. You just sign up for a weekday morning text with a link. When I'm ready, I press the link and begin my walk with the devotional. I encourage you to give it a try. Worship Initiative Devo:

Sunday Morning Building Entrances Updated

Thank you for your cooperation and flexibility during this time of transition in the move of our children. With all new things we find there may be some aspects that need to be tweaked to function in the best way possible for our church family. With that in mind, we will be reopening the Office Entry doors on Sunday mornings. This entrance should be used primarily for families checking in children but will be open for everyone to use. The hallway outside the offices and leading to the bathrooms will no longer be restricted.

This change will alter our check-in area slightly. We will still have check-in hosts stationed just inside the double doors coming from the Breezeway and we will now have check-in hosts stationed in the Office Lobby. Families should then proceed to the Preschool hallway (left of the offices) to enter the Children's wing. We will have a team member at the doors at the bottom of the ramp verifying that all kids have been checked in and have a name tag. At pick-up, parents should go directly to the Preschool hallway and show their Security tag to the team member at the same doors before heading to their children's classrooms. [Please follow one-way traffic for dropoff and pickup by continuing all the way through the Children's wing and exiting through the Elementary Worship Area.](#)

If you normally give through Elexio for your tithes and offering, please be aware that has been turned off and now we are using Planning Center exclusively for the online giving. **We will email your 2026 giving statements from Elexio in the coming weeks. At the end of the year, you can access your planning center giving statement or request by email in January for 2026** If you want to set up your online giving with Planning Center [Click here](#)
