Lebanon Christian Church

A word from our Preschool Minister

Your Words Matter

I'm in the kid business especially the cute little ones. When talking to a child…. "Be quiet!" sure sounds different than "Can you use a softer voice." How about "It's not hard" verses "We can do hard things" or "What a mess!" verses "Looks like you had fun. How can we clean up?"
Think about social media. When was the last time you posted a thought or feeling and got blasted because of it. Honestly, I think I see something like that nearly every day. I know I've been hurt from a post. Have you? What we say and how we say it matters.

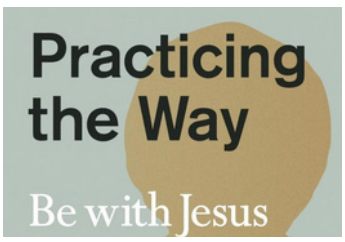

Proverbs 12:18 says "The words of the reckless pierce like swords, but the tongue of the wise brings healing."

Choose your words wisely when talking to a child, posting on social media or talking to a friend at church. Your words matter; let them reflect the love of Jesus.

Christmas Program
"We Knead a Little Christmas"

We Knead a Little Christmas is an inventive, fanciful, and meaningful children's musical that weaves the story of the first Christmas creatively through the imagined world of a Bethlehem bakery. Drawing on the thematic importance of Bethlehem's literal meaning as "house of bread," the musical delivers both historic and Scriptural truths concerning our salvation through the coming of God's Son, Jesus Christ. Please join us for this fun evening performance!
