

A Message From Jeff...

Last Sunday we enjoyed having Guest Mission Speaker, **Al Serhal**, and his daughter, **Rachel Johnson**, Living Proof Director here to represent the mission work of **Hippo Valley Christian Mission** in **Zimbabwe, Africa**. There is still time to sponsor a child for \$30/month www.hippovalley.org, as well as consider going on a future mission trip in the next year or two to see the work of HVCN firsthand.

Schools are back in session and we pray for all of the students, teachers, administrators, bus drivers, lunch ladies, and parents involved. For the next two Sundays we will have a focus the Bible's teaching about God creating the world. Many classrooms are quick to study the theory of evolution and we need to understand the alternate creation theory of intelligent design by a heavenly Creator.

The nearby Creation Museum in Petersburg, Kentucky remains a wonderful resource for learning. You need to visit the state-of-the-art displays, exhibits, botanical gardens, planetarium, zoo accompanying this 75,000 square foot facility that has hosted millions of guest and tourists. For more information go to creationmuseum.org (888) 582-4253.

Love,
Jeff
