

A Message From Jeff...

Remember our initiative to “Impact the World,” **assisting the Food Pantries serving the areas of Metamora and Laurel**, that have had supplies depleted by the recent storms. This Sunday **you are asked to bring in peanut butter and jelly** to help re-stock the shelves of the Food Pantries and assist those affected by the severe weather.

This Sunday is the second week of a Message Series on “Creation,” focusing on the Bible’s teaching about God creating the world. Many classrooms are quick to study the theory of evolution and we need to understand the alternate creation theory of intelligent design by a heavenly Creator.

The nearby **Creation Museum** in Petersburg, Kentucky remains a wonderful resource for learning. You need to visit the state-of-the-art displays, exhibits, botanical gardens, planetarium, zoo accompanying this 75,000 square foot facility that has hosted millions of guest and tourists. For more information go to creationmuseum.org (888) 582-4253.

This Sunday will be the last week for our Interim Worship Leader, Ashley Grigsby, to lead us in worship. We all have appreciated her efforts to guide us in our worship and she will be missed. **Ashley** will be continuing her work with BLOC Ministries and using her recent counseling degree from Liberty University to encourage the struggling.

Thank you for your prayers for the search process for our next Worship/Teen Minister at Batesville Christian Church. God is guiding the efforts and we anticipate having a quality new staff member to introduce in the near future.

Love,
Jeff
