A Message From Jeff...

BCC HOSTS MITCH McVICKER IN CONCERT THIS SUNDAY

We are hosting a free Christian concert at Batesville Christian Church this Sunday from 6:00-7:30 p.m. This is an excellent event to invite friends to attend and can serve to introduce them to BCC. This will be a time of inspiration and worship through the talented music of Mitch McVicker. There is no ticket charge, but we will be collecting a love offering to benefit the music ministry of Mitch.

I'm looking forward to this event. Please plan to join me and invite some guests to be a part of this special concert at Batesville Christian Church. His unique music has an appeal to all ages.

IMPACT THE WORLD.

Remember that October is the month when BCC staffs the volunteers for the **Batesville Food Pantry**. The meals given out to local families and individuals will benefit them in a tangible way as we show God's love to those in need. Volunteering is a great way to serve our neighbors and live out BCC's Mission Statement: **LOVE GOD. LOVE PEOPLE. IMPACT THE WORLD.**

A Message From Mitch McVicker:

"I am a traveling, concert-giving, and recording musician. It is my vocation. I started out by traveling, writing songs, doing concerts, and being roommates with the late, great Rich Mullins. I was in the car wreck that killed Rich. my recovery was touch-and-go and very extensive...lasting years. This was a significant event in my life and a big way that I have come to experience God's activity in my life. I try to communicate this in the concerts I am now able to do.

Rich and I wrote a song together, "My Deliverer", that won a Dove award for song of the year. Since recovering from the accident, I have done nearly 2500 concerts, been to 49 states and 13 countries, and recorded 12 full-length albums, 2 EPs, and 2 live concert DVDs. My goal is to do concerts that point people beyond themselves. I play in churches, theaters, colleges, prisons, bars, and coffeehouses.

I tend to blab a lot in concert...I share my faith experiences and how we are all trying to respond to God's ever-present and always-infusing grace. It is my attempt to communicate and emphasize God's activity in all of our lives...through the practical, overlooked, and taken for granted.

I play an acoustic guitar, nylon string guitar, ukulele, banjo, electric guitar, and cajon (box drum). I make percussion loops from junk, various household items, children's toys and then play songs to those percussion loops. Everything is set up on a table next to me. The "stage" looks kind of like a garage sale."
