- Half Day - Jan 29 Dismissal 11:15a
- Report Cards coming home - Jan 29

The Choice is Yours

Choosing a school is one of the most important decisions made during the life of a young impressionable child. The elementary/middle school years are a time of incredible growth and change - not only physically, but also intellectually, socially, and spiritually. The nurturing and loving environment that Trinity Lutheran offers contributes to their development.

While other schools can share their plans in helping students achieve their academic goals, Trinity Lutheran can do that - and more! Our administration, teaching faculty, support staff, parents, and students are committed to living out our mission of creating a Christ centered caring community that will engage young minds and create the basis for the leaders of tomorrow.

The name of Jesus is boldly and passionately proclaimed every day. We are able to witness to the truth of God's Word throughout our day, in and out of the classroom. His work is seen in the lives and through the witness of our students and staff. Our students consistently hear the message that they are completely and perfectly loved by God. They are able to pick up the strategies for defending their personal faith as they leave this school and are confronted by a world that will challenge their faith. At the time when spiritual development is most important, our students are surrounded by a great number of witnesses that prepare them for the challenging times yet to come. Our teachers hold a minimum of a Bachelor's Degree in Education and state certification with many having advanced degrees.

Next school year Trinity Lutheran **will not raise tuition or fees** to help support our parents. We choose to help our families continue to receive a great Christian education at Trinity. Enrollment for next year will open soon. We will have the information and forms out for you by January 29.

Trinity is the optimal size school. We are able to offer a variety of classroom activities and experiences to involve all students. Our size enables us to maintain relationships that make all students feel a connection to their peers and staff.

While Trinity Lutheran is a distinctly Christian educational community, we are fully accredited by the State of Michigan through the Michigan Association of Non-Public Schools, the National Lutheran School Accreditation Commission, along with the National Federation of Nonpublic School State Accrediting Associations. Students of all backgrounds are welcome and included. The diversity of our student body is reflective of the community in which we reside.

As you consider re-enrolling at Trinity for the upcoming 21-22 school year let us know how we can better serve you in our partnership for the education of your child.

In Christ,

Mrs. Terry Bird

Water Bottle Notice

Please send your child's water bottle to school every day. There have been a large number of students without water bottles. This issue has caused our back up supply in office to run out and has left some children without water for the school day. We will also accept donations of water bottles to meet this need for children that have forgotten theirs. Thank you for your help!!

Box Tops 2020-2021 Goal Tracker:

\$1000.00 Goal

School year earnings: \$190.00

Scan & Upload receipt with school code: 166967

Or bring in receipt to school office & Angela will scan!

****Clipped box tops are still being accepted**

Hot Lunch – FREE Lunches!

All of our students will be receiving free lunch through the USDA for the remainder of the 2020-2021 School year! If you currently have money in your lunch account, it will stay there until we have to charge for lunches again. If your child orders just a milk to go with their cold lunch a \$0.45 charge will apply to your account.

PICK UP LINE NOTICE

Please be sure to begin the pick- up line at the end of the drop off walkway near the stop sign located on Pearl Street. Thank you for limiting space between vehicles during this time. This small gesture allows more Trinity families to be able to safely get their children unloaded at the main morning entrance.
