Trinity Lutheran School

The mission of Trinity Lutheran Church, School, and Early Childhood Center is to reach the world for Christ, making disciples by proclaiming the Gospel in Word and Sacrament through worship, Christian education, community outreach and contagious sharing of the faith in word and deed.

Path to Improved Health

Being more active (for children and families)

- Move more. Try to get between 30 and 60 minutes of physical activity each day. Short sessions of movement throughout the day add up.
- Include physical activity in your daily routine. Walk as a family before or after meals.
- Make playtime with your family fun. Be active by shooting hoops or playing tag.
- Be active in the home. For example, you can dust, vacuum, garden, or walk the dog. These activities are good ways to burn calories.
- Include activities, such as hiking or biking, when you go on vacation.
- Know your **daily calorie needs**. Balance calories you consume with calories you burn.
- Limit TV, computer, and video game time to less than 2 hours per day. Encourage physical activity instead.

Being more active (for parents)

- Park the car farther away at work or stores.
- Take the stairs instead of the elevator.
- Get off the bus one stop earlier and walk the rest of the way.
- Exercise while watching television at home. Use a machine, lift weights, and stretch.
- Walk to do errands.
- Be a role model for your children. Do something active every day.

ECC CONNECTION

Early Childhood information to help you stay up-to-date.

Construction Started!!

- With the start of construction, the southern hallway, aka the Pearl Street Hallway will be closed off for the most part. This means that we will not be able to use the Red Door into the Adventurers/Explorers area and will have to access that space through the cafeteria by the milk cooler - going through the Explorers end. The green doors into the cafeteria/art space will also be unavailable, as will the back "secret stairway" to the gym located on that same wall by the drinking fountains.
- Remember that the Infant Room has moved to the room next to the office, the SAC room has moved to the Children's Ministry Room and Y5/K after school care has moved to the Traditional Preschool Room on the main floor. If you have any questions please see Robyn in the office or your child's lead teacher.

Thank you for your patience and understanding as we move forward with our renovation plans.

Policy Reminder

Winter brings lots of fun times, but it also brings germs. Please be aware of any issues your student may be having. Help us stay healthy by keeping your child home if they are sick and do not return them to care too soon. They should be 24 hours fever, vomit and diarrhea free without medicine before returning to school. For illness that requires a doctor visit, a note from the doctor saying your child can return to care is needed. We have seen cases of croup, ear infections, pink eye and the flu to name just a few. Thank you in advance for your help in keeping everyone healthy for the holidays and beyond.
