

TPC YOUTH SUMMER PLANS '26

Wednesdays 6:00 pm - 7:45 pm

Below is a list of possible summer events. Each event will include a planned activity and a designated host. The host will help with setup and provide a meal for the students (pizza and drinks work great).

A host can have the event at the church, Mill Creek Park, their house, or another suitable location. If you have ideas for activities, we'd love to hear them!

If you're willing to host a youth event this summer, please add your name next to one of the dates highlighted in yellow. Thank you!
