This year we will be spending time with the Vineyard families in Altamira Brazil helping to construct a church building for the Vineyard church, “Igreja da Vinha Mexicano” as well as community outreach.

The planned excursion includes a boat trip on the Xingu river.

This year’s trip will cost about \$2000 each for lodging and airfare. Most of us who do this every year send out support letters to our friends and family to help raise the travel and lodging money. We will be sending out an example.

All deposits should be given to Brian Queen or Mickey Reid. Checks should be made out to Lancaster Vineyard with Brazil trip in the memo.
