We're Moving!

Leaving Minneapolis

Jenn and I have discussed and prayed about the idea of moving closer to family for years now, and we have decided that we are going to be moving to Peoria IL in June to be closer to Jenn's family. It is a very bittersweet decision for us; moving away from such a great community that we have had up here is hard, but we are very thankful for them and know that our time here was meaningful. It's hard leaving North High and the coaches and kids that I have built relationships with over the last 7 years, but I know God will continue working in them. There is a great FCA staff here and I have some awesome volunteers who are going to continue doing the work and I'm so grateful for them. When I started doing FCA here in 2019, the urban team was comprised of two of us trying to work out way into two MPS schools. Now, there are five full-time urban staff members rooted in five different MPS schools. God has been so faithful in Minneapolis.

The Call to Peoria

We are excited to be moving close to Jenn's parents, her brother and his family, and soon her younger sister. In talking with the Peoria FCA Area Director, he had told me how they have not had the right person doing ministry in the city in Peoria and that he has been praying to find someone to fill that void. I am excited to answer that call and know that God can use me to come alongside Him and do ministry in Peoria. My blueprint will be similar to my ministry in Minneapolis, and I will start building relationships with coaches and athletes at a couple of the Peoria public schools, likely Manual High and Peoria High. I'm eager to learn what needs there are and what God has in store.

How This Impacts You

During the transfer of my work from Minneapolis to Peoria, there is nothing that you need to do. **All monthly support will automatically transfer over.** If you would like to discontinue your support as our ministry changes, you can login to your FCA account at any point and do that manually. Please reach out with any questions you have about this transition and the work I'll be doing in Peoria. Thank you for all the love and support over the past 7 years in Minneapolis, and I'm excited to see what the Lord does in the years to come in Peoria! Please pray for doors to open in Peoria and for our transition.
