

March 13, 2020

Dear Church Family,

This has been a crazy week for all of us; I just wanted to reach out and wish you grace and peace! I'm sure you all have many questions, many of which I hope to address this Sunday.

Yes, we will still meet at the normal time; however, we will take extra measures to make the environment as safe as possible for everyone concerned. We encourage everyone to use restraint in greeting one another so that we might do our part in limiting the duration of this disruption to our lives. I would also encourage anyone who is sick, to please stay at home and listen to the podcast, which is available immediately after service. We will also attempt to stream the service live on Facebook if you would like to watch the service from your home. You can simply go to Facebook.com and search for Vineyard of Knox County and scroll down until you see the live video. You can watch it on Facebook whether you have joined or not.

I have spoken with other churches and considered the recommendation of health care officials and decided that we can still provide a very safe environment to come together to worship, fellowship and encourage one another during these uncertain times. I would encourage you to read Psalm 46 this week and meditate on the first four verses and remember Korah's words, "God is our refuge and strength, a helper who is always found in times of trouble."

This Sunday I will not only share God's Word, but attempt to answer questions that you might have concerning this season in our lives. Please understand that in times like this, the church of Jesus Christ, emboldened by Him, ALWAYS shines and bears witness to the fact that He is the Messiah, the King...and He is still, in fact, in control and on His throne.

I hope to see you Sunday, but until then, I wish you and your family peace.

Pastor Greg

P.S. We will not have Sunday school for the kids this week. The children will remain in the service with their parents. We will re-evaluate this on a week by week basis.
