SECTION I

INTRODUCTION

1.01 Preamble

At Oak Park Church of Christ we are committed to our Mission of *Loving God, Loving Others and Serving the World*. As such, we know that Children, Youth and Vulnerable People are important to God and so they are very important to us. Children and Youth are not only the church of the future; they are a valuable part of the church today. Jesus reminds us that in order to enter into the Kingdom of Heaven we must have the faith of a little child.

However, our Children, Youth and seniors are also vulnerable. Sadly, because of their lacking strength, awareness, and knowledge, they are often taken advantage of and worse, victims of abuse. Therefore, it is imperative as a church that we be proactive in protecting them and in providing safe environments so that the intimacy in the relationship between Child/Youth and God remains secure.

We must, as well, protect those who serve our Children, Youth and Vulnerable Adults. Our Ministry Personnel need the security of knowing that they are working in a setting where processes and procedures are in place to minimize any possibility of an erroneous accusation.

This Plan to Protect® Policy establishes the criteria for the provision of a safe environment for Children, Youth, Vulnerable Adults, and Ministry Personnel.

1.03 Understanding Abuse

Definitions of Abuse

It is critical for us to have a clear understanding of abuse, to be familiar with the definitions used when referring to it.

“Child abuse, as defined by the *Child, Youth and Family Enhancement Act* and where child intervention services may become involved, is any act of maltreatment of a child by a parent or guardian that results in injury or harm. Child abuse by someone other than a parent or guardian should be reported to the police.” (Alberta Human Services)

Abuse of Vulnerable Adults is sometimes described as misuse of power and a violation of trust. Elder/Vulnerable Adult abuse can take place in the home, in other residential settings, or in the community.

Abusers can be family members, friends, staff or individuals in positions of trust or authority.

Four Types of Child Abuse:

Physical Abuse

“Physical abuse is any act by the parent or guardian which results in trauma or injury to any part of a child’s body. It is the most visible form of child abuse, and can happen once or many times. These injuries are often the result of unreasonable, severe corporal punishment of a child. If physical abuse keep up, the injuries to the child become more severe and it becomes more difficult to eliminate the abusive behaviour. Children often explain injuries by saying they had an accident while playing or they got it while fighting with a sibling.” (Alberta Human Services)

Sexual Abuse

“Sexual Abuse is the inappropriate exposure or subjection of a child to sexual contact, activity or behaviour by a parent or guardian.

Sexual abuse can include:

- “non-touching” activities (e.g. obscene phone calls/conversations, indecent exposure or exhibitionism, masturbation in front of a child, deliberate exposure to others engaged in sexual activities, exposure to any forms of pornographic material)
- “sexual touching” activities (e.g. fondling a child, making a child touch an adult’s genital area, or sexual intercourse)
- “sexual exploitation” (e.g. engaging a child for prostitution, using a child in

pornography or luring a child via the Internet for sexual purposes). In Alberta, children and youth under the age of 18 who are involved in prostitution are considered to be victims of sexual abuse, and have legislation to protect them.

A child who has been sexually abused may or may not show any behavioural or emotional reaction to sexual abuse. The most important sign of sexual abuse is a child telling someone about the abuse. Because children commonly delay telling anyone about chronic or acute abuse, all disclosures should be taken seriously.” (Alberta Human Services)

Emotional Abuse (Injury)

“Emotional abuse is an attack on the child’s self-concept and self-worth. It is a pattern of ongoing behaviour by the parent or guardian that seriously interferes with the healthy development or the mental or emotional functioning of the child. Emotional abuse often happens along with other forms of abuse, such as neglect or physical abuse. Emotional abuse is the result of:

- exposure to family violence in the home;
- exposure to chronic alcohol or drug use in the home;
- rejection;
- the child being ignored or isolated;
- threats, humiliation, unrealistic expectations, or inappropriate accusations/criticism;
- corruption (permitting a child to use alcohol or drugs, watch or participate in cruelty to animals, or participate in criminal activities); or
- negative exposure to someone with a mental or emotional condition (including suicidal or homicidal ideas) in the home.

Emotional injury is the least visible form of child abuse. In fact, a child may appear to be clean, well groomed and well fed. But the child may be sad, depressed, timid, angry or withdrawn. Emotional abuse has serious, long term effects on children and can often outlast the impact of neglect or physical injury.” (Alberta Human Services)

Neglect

“Neglect is failing to provide age appropriate basic care such as food, clothing, shelter, love and affection, medical and dental care, education, and protection from harm. If the parent or guardian cannot or will not provide these things to a child, it is neglect. (Alberta Human Services)

Other Types of Abuse

Spiritual Abuse

We believe in the Gospel of Jesus Christ and affirm the importance of Christian evangelism. However, we do not believe that this justifies any means to fulfill that end. Hence, we disavow the use of any coercive techniques or manipulative appeals that bypass a person’s critical faculties, play on psychological weaknesses, undermine relationship with family or religious institutions, or mask the true nature of Christian conversion. While respecting the individual integrity, intellectual honesty and academic freedom of other believers and skeptics, we seek to proclaim Christ openly. We reveal our own identity and purpose, our theological positions and sources of information, and we will not be intentionally misleading.

Respect for human integrity means no false advertising, no personal aggrandizement from successfully persuading others to follow Jesus, and no overly emotional appeals which minimize reason and evidence.

“Spiritual abuse (ridicules or insults religion or spiritual beliefs)” (Alberta Human Services)

Harassment (Bullying)

Harassment is defined as repeated subtle or overt action, particularly by a person in a position of trust which causes the recipient to feel attacked, demeaned, intimidated or manipulated.

“Bullying is defined as any repeated, hostile or demeaning behaviour intended to cause harm, fear or distress, including physical or psychological harm. Bullying can be Verbal: name calling, put downs, threats; Social/Relational: exclusion, gossiping, ganging-up; and/or Physical: hitting, pushing, slapping.” (Alberta Human Resources)

Discrimination

Discrimination is differential treatment based on a personal characteristic that has an adverse impact on an individual or group. Examples of personal characteristics include race, ancestry, place of origin, colour, ethnic origin, citizenship, faith or creed, sex, sexual orientation, age, marital status, family status or handicap.

Discrimination robs people of their dignity and their ability to fulfill their capabilities. It is important to note that any person or group can discriminate and any person or group can be the target of discrimination.

Exposure to Domestic Violence

Children who live in homes where a parent or caretaker is experiencing abuse are commonly referred to as "child witnesses" or "children who are witnessing" domestic violence. Children's exposure to domestic violence typically falls into three primary categories: hearing a violent event; being directly involved as an eyewitness, intervening, or being used as a part of a violent event (e.g., being used as a shield against abusive actions); and or experiencing the aftermath of a violent event.

Children's exposure to domestic violence also may include being used as a spy to interrogate the adult victim, being forced to watch or participate in the abuse of the victim, and being used as a pawn by the abuser to coerce the victim into returning to the violent relationship. Some children are physically injured as a direct result of the domestic violence. Some perpetrators intentionally physically, emotionally, or sexually abuse their children in an effort to intimidate and control their partner. In addition to being exposed to the abusive behaviour, many children are further victimized by coercion to remain silent about the abuse, maintaining the "family secret."

1.04 Understanding the Church's Responsibility

We believe it is the responsibility of Oak Park Church of Christ to provide a safe environment for Children, Youth and Vulnerable Adults who are in attendance at Oak Park Church of Christ's facilities or who participate in Oak Park Church of Christ-sanctioned activities and programs wherever they may be carried out.

Oak Park Church of Christ | Plan to Protect® Policy

The Spiritual and Moral Responsibility of the Church

“For we are taking pains to do what is right, not only in the eyes of the Lord but also in the eyes of others.” (2 Corinthians 8:21 TNIV)

We recognize that we are a reflection of God’s love to those in our care and we take our responsibility seriously.

Micah 6:8 presents this challenge, “He has shown all you people what is good. And what does the Lord require of you? To act justly and to love mercy and to walk humbly with your God.” (TNIV)

Micah suggests that the Lord requires three things of us:

- **To act justly** – we must work for justice, seeking to promote the truth and speak out on behalf of the vulnerable.
- **To love mercy** – compassion needs to be the bedrock of all our work.
- **To walk humbly with our God** – every area of our lives need to be marked by humility and righteousness. To act always with integrity.

The Ethical Responsibility of the Ministry

“The U.N. Convention on the Rights of the Child is the most ratified of all the United Nations Human Rights treaties. The treaty affirms and describes the fundamental human rights of all children (all human beings below the age of 18), and the governments that have ratified it have legally agreed to fulfill its provisions. The CRC forms the most comprehensive and well-established international standard for children’s rights.”¹

“The United Nations Convention on the Rights of the Child ... requires us to provide special protection and assistance to children to enable them to reach their full potential as adults. While parents are primarily responsible for ensuring a child’s rights are upheld, government and community also have an important role to play in protecting children.”²

All articles in the UNCRC apply to all children and youth of all backgrounds. A fundamental philosophy behind the convention is that *children have the same inherent value as adults and are their equals*.

The Civil and Legal Responsibility of the Church

We recognize that providing a safe place for Children, Youth and Vulnerable Adults is also a legal requirement. We have a legal responsibility to ensure that a plan for protecting Children, Youth and Vulnerable Adults is in place and is diligently followed.

Our legal responsibility includes being accountable for the actions of our employees and volunteers, that as an organization we could be held vicariously liable for their actions.

This policy and the guidelines contained within it are to help us in fulfilling our responsibilities to provide as safe and nurturing environment as possible for Children, Youth

and Vulnerable Adults. In partnership with Parents, we, as a church, seek to provide quality care and instruction to families and in this way, promote spiritual growth at every age level.

1.05 General Guidelines and Principles for Reducing the Risk of Abuse³

The following are general guidelines and principles reflected in this document:

1. When RISK increases, supervision should also increase.

- a) For the protection of our Children, Youth and Vulnerable Adults, supervision of all Ministry Personnel will be intentional and will take place through formal and informal visits to classrooms and programs by Ministry Leads;

2. RISK increases as isolation increases.

- a) Avoid Isolation -- Where possible, all meetings with Vulnerable Persons are to be with a group or in pairs rather than be alone.
- b) It is preferable to have more than one Screened Adult present when working with Children, Youth and Vulnerable Adults. If the other adult cannot be in the same room, it is best to have them close by in the same building and aware of your meeting, acting in the role of a Hall Monitor.
- c) Your objective should be to meet in an open, public space rather than a closed, private space.
- d) When meeting, an open door is better than a closed door; a door with a window is better than a solid door.

3. RISK increases as accountability and adherence to policies decrease.

- a) At all times (where possible) make others aware of your activities and your whereabouts, particularly when meeting with Children, Youth and Vulnerable Adults.
- b) A strategy for program maintenance will be developed and reviewed at the beginning of each ministry year (September) to ensure training, the updating of files, and the physical environment are compliant with this policy.
- c) Regular meetings with a Ministry Lead are to be arranged to discuss the ongoing nature and actions of the ministry.
- d) If a person is involved in a situation where a boundary is violated, or something occurs that is out of the ordinary or could be misinterpreted, or where such a violation or occurrence is alleged, he or she should immediately report it and discuss it with a supervisor. If the Ministry Lead is unwilling, unable, or unavailable for discussion, he or she should seek out a Board Member or Senior Pastor to discuss the issue. Such incidents should be immediately reported to the insurer if appropriate.
- e) Activities that could easily lead to allegations of abuse or harassment, such as allowing unsupervised internet access to Children or Youth on computers, vehicle transportation by Ministry Personnel alone with an unrelated Child or Youth, or improperly supervised sleepovers, are prohibited without express written permission of at least one Parent of the Child or Youth and the Program Lead.
- f) All local Health and Safety Standards must be adhered to.

³ Adapted from *Reducing the Risk*

4. **RISK increases when there is an imbalance of power, authority, influence and control between a potential abuser and potential victim.**
 - a) Corporal punishment is prohibited.
 - b) Report all allegations and suspicions of Vulnerable Person maltreatment.

5. **Key to demonstrating due diligence is by retaining documentation.**
 - a) Registration forms, Letters of Informed Consent wherein Parents give written permission for their Children or Youth to participate in off-site group activities, and attendance records will be gathered and kept on file.
 - b) Incident reports will be written and submitted on all accidents and injuries.

1.06 Other Users and Shared Activities

1. In the case that outside users, members, adherents or renters are granted permission to use the facility for activities involving Children, Youth and Vulnerable Adults, that are not direct ministries and activities of the church, it is required that they provide a certificate of insurance, with no less than \$1,000,000 Commercial General Liability coverage and the church be named as additional insured. The user or renter is also required to demonstrate that they have a full Child/Youth protection policy and protocol in place. If they lack an Abuse Prevention Policy, Organization will refer them to Plan to Protect® to secure their own copy of the *Plan to Protect®* manual.
2. In the case, that Oak Park Church of Christ partners with other churches, agencies or community groups for the delivery of a joint activity or event with Children and/or Youth, the leadership of Oak Park Church of Christ, requires that our Insurance Agent be consulted during the planning stage, to determine the risks, insurance coverage and shared liability. The program leader is required to obtain written opinion from the Insurance agent acknowledging the status of insurance coverage for these joint activities.

1.07 Policy Review

The Policy is to be reviewed and audited annually and updated every four years by the Board to ensure procedures are updated and/or clarified as needed and the Policy maintains its relevance to applicable provincial child protection legislation.

Appendices may be revised as needed with approval from the Senior Pastor and Ministry Staff/Leaders.

4. Any individuals travelling with the team who do not qualify as screened Personnel should have separate sleeping arrangements.
5. When travel plans require overnight housing, it is strongly recommended that housing be arranged in the homes of screened and approved billets, or in a conference centre, camp, or church where Children and/or Youth can stay together, and where more than one screened worker can be assigned to each common sleeping area. (Refer to policy on "Billeting and Hosting".) When this is not possible and it is necessary that the group stay in hotels or motels, plans need to be made so that Children and Youth have distinctly separate sleeping arrangements from other adults. In your plans, it is strongly encouraged that:
 - Hotel rooms be all together in one wing of the hotel or motel; and
 - Parents be encouraged to accompany the team, assigning family members to hotel rooms; or,

Oak Park Church of Christ | Plan to Protect® Policy

Mission Trips:

Due to the diverse nature of mission trips, a comprehensive set of policies to govern all trips is an impossibility. These are some general policies (non-comprehensive) that apply to the activities of Missions at Organization.

1. Each potential mission trip, in its application package, will include the specific policies unique and appropriate to that trip, and require potential applicants and their Parents to give written agreement with those policies.
2. Leadership for mission teams (Mission Team Leaders) shall be selected from adult applicants. First priority will be given to youth staff members and pastoral staff, and then to parents of Youth, before being offered to the general church congregation. When non-youth staff members are applying for Mission Team Leadership, they must fulfill the same application requirements as someone applying to the youth staff, including Plan to Protect® screening.

SECTION III

POLICY ON REPORTING AND RESPONDING TO ALLEGATIONS AND SUSPICIONS OF ABUSE

3.01 Reporting Procedures

Hearing of an Allegation or Suspicion of Abuse

The following policies outline the procedure and sequence for reporting suspected abuse cases.

1. For the protection of our Children, Youth and Vulnerable Adults, all allegations and/or suspicions of abuse against Children, Youth and Vulnerable Adults will be taken seriously.
2. Immediately upon hearing of potential abuse or allegations of abuse to a Child or Youth, the Ministry Personnel must complete a Suspected Abuse Report Form documenting all pertinent information (Appendix 11). The victim should not be asked leading questions nor should the accused or any other parties be contacted at the point of completing the Suspected Abuse Report Form.
3. All forms must be kept permanently unless otherwise directed by legal counsel.
4. Ministry Personnel are requested to notify the Senior Pastor that they will be making a report to Child and Family Services.

Reporting an Allegation or Suspicion of Abuse

1. Under Alberta's *Child, Youth and Family Enhancement Act* any person who has "reasonable and probable grounds" to believe that a child is being harmed or in danger of being harmed by their parent or guardian has an obligation to report. This means that if you believe that a child has been abandoned, is being neglected, physically injured, emotionally injured or sexually abused, you need to call so an assessment of the situation can take place. People can be fined under the *Child, Youth and Family Enhancement Act* for not reporting when a child is in need of intervention services.
2. The reporting must be immediate, a direct report, and an on-going report. The report may be done in conjunction with pastoral staff or your immediate Ministry Leader.
3. A report of suspected abuse should be made by calling Alberta's *Child Abuse Hotline* at 1-800-387-KIDS (5437) to speak to a caseworker. For after-hours response call: 1-800-638-0715 and press 1. Alternatively the Calgary Region Child and Family Services office is located at #300, 1240 Kensington Road NW, Calgary and their general office phone number is 403-297-6100.
4. Oak Park Church of Christ requests that when a Ministry Volunteer or staff in the line of duty reports a suspicion of abuse or an allegation of abuse to authorities, that they also notify the Senior Pastor that a report has been made. It is understood that the report is to be kept confidential.
5. If the suspected abuse happened in the context of Oak Park Church of Christ ministries or was committed by a church member or attendee, the Parents of the victim must be notified by the Senior Pastor.
6. If the suspected abuse happened in the context of Oak Park Church of Christ ministries or was committed by a church member or attendee the Senior Pastor or

designate must notify Oak Park Church's insurance provider and seek legal counsel upon hearing of a suspected child abuse case.

Assessing and Investigating an Allegation or Suspicion of Abuse

1. No persons, including Pastors and Board members, are to assume the function of assessing, substantiating or investigating the need for intervention or interpretation of suspected child abuse.
2. There must not be any undue interference when a report of child abuse has been filed with child protection authorities or the police. The Senior Pastor or his designate should ask the child protection authorities how they can assist in helping and supporting the investigation and the hurting Child or Youth and their family. The Senior Pastor or his designate should maintain frequent communication and supportive relationships with those suspected or guilty of child abuse as long as these persons exhibit a willingness to listen, change and look to Christ for help. This does not exclude the need for hurting individuals to receive professional counselling.

3.02 Response to Allegations

Spiritual Response and Counsel for the Victim

1. For the protection of our Children, Youth and Vulnerable Adults, all allegations and/or suspicions of abuse will be taken seriously and handled with the utmost care. The suspected victims will be treated with dignity and respect.
2. During the process of reporting and response, all Ministry Personnel will be committed to prayer and strive to remain calm and hopeful.
3. Situations of abuse must be handled forthrightly with due respect for people's privacy and confidentiality. Discretion must be observed and details of the suspected abuse must not be shared among the church community. Information should be shared on a need-to-know basis, expanding only as individuals are drawn into the response and investigation. Confidentiality for the victim must be protected.
4. Pastors will seek opportunities to provide individual care and counsel both for the abuse victim and their family. Pastors will determine the need for professional assistance and evaluate and designate resources as needed and able.

Biblical Response and Discipline for the Accused or Convicted

1. The accused is to be treated with dignity and respect. If the accused is a paid Ministry Personnel, that person will be relieved temporarily of his or her duties until the investigation is completed with arrangements made to either maintain or suspend his or her income until the allegations are cleared or substantiated.
2. It is the responsibility and right of Pastors and the Board to exercise and practice church discipline as outlined in Matthew 18.
3. Pastors will seek opportunity to provide individual care and counsel both for the accused and their family. Pastors and the Board will determine the need for professional assistance and evaluate and designate resources as needed and able.
4. Anyone accused of abuse to Children or Youth will be prohibited from having access to Children or Youth until they are cleared of any and all charges. Clear written

guidelines will be provided to the individual with restricted activities and areas of the church property that they are not permitted to use or be in.

5. Anyone convicted of child abuse will be prohibited from having access to Children or Youth. Pastors may designate an individual to be responsible to be informed whenever the convicted person attends church activities and to accompany the convicted person while on church property. Clear written guidelines will be provided to the individual listing restricted areas and access points on the church property.

Media Relations

1. It is the responsibility of the Senior Pastor, or Chair of the Board if Lead Pastor is unavailable, to be the designated spokesperson to speak on behalf of Oak Park Church of Christ to the media and the public in relation to a suspected child abuse case. All inquiries should be directed to this person, and other individuals should not make comment unless given permission to do so.
2. Public statements must be well prepared and presented under the guidance of legal counsel.

Ongoing Investigation

1. Full cooperation must be given by all parties to civil authorities under the guidelines of legal counsel.
2. At no time should Board members or Pastors either engage in denial, minimization or blame, or admit responsibility, which could prejudice the case or cause increased liability to Oak Park Church of Christ.
3. A confidential follow-up report with conclusions and action taken must be documented by the Senior Pastor, Children's Pastor or Youth Pastor following a report of abuse. This report should be placed in a confidential Ministry Personnel file and kept permanently.
4. It is critical to maintain confidentiality and strictly adhere to a need-to-know basis only.

3.03 Response to Church Attendees Convicted of Child Abuse

Covenant Agreement

When an individual attends Oak Park Church of Christ that is a known to have abused children or youth in the past, and/or has been convicted of crimes against children or youth, the Board and Senior Pastor are to enter into a covenant agreement (Offenders Covenant - Appendix 15) with the individual if they wish to attend Oak Park Church of Christ on a regular basis. The covenant agreement is to be written and signed by the Senior Pastor, and a representative of the Board, and the individual.

For the protection of children, youth and for the protection of those who are known to have a history of crimes against children and youth, the following parameters will be put into place restricting access to children and youth:

The Offenders Covenant should include the following:

- When he/she is on the premises there will be at least one (but preferably two) adult chaperons assigned to keep an eye on him/her at all times
- Children and youth ministry areas will be off limits

Oak Park Church of Christ | Plan to Protect® Policy

- He/she will refrain from attending small groups where families with minors participate, and from forging close friendships with families from the church with minors.
- He/she will not be allowed on the Church property during special Children's events (such as VBS, mid-week Children's/Youth programs, etc.)
- He/she will not be allowed to take pictures while at Church
- When he/she leaves the sanctuary, for example, to use the washroom, one of the chaperons will check the washroom to make sure there are no Children/Youth in the washroom. If there is a Child/Youth in the washroom the chaperon will ask the man/woman to wait until the Child/Youth is done before he/she goes in.

Privacy Concerns

Information regarding this person's convictions should only be disclosed on a need-to-know basis. Unless he/she has a family (i.e., Children that would also be attending the Church) then parents do not need to know, therefore disclosure of this information should be kept to the Board and the Pastors.

Oak Park Church of Christ

Statement of Faith and Beliefs

Oak Park Church of Christ is an autonomous congregationally governed body, having Christ as its head (Colossians 1:18), being subject to and in harmony with Him through its Constitution and in unity with all those who are "in Christ." (Galatians 3:26-28)

The Constitution of Oak Park Church of Christ is the New Testament of the Bible.

Oak Park Church of Christ exists to help people become Followers of Jesus who are growing in their love for God, love for others and service to the world. Loving God Above all else we seek to obey the Great Commandment, to love God with "heart, soul, mind and strength"(Luke 10:27). We try to express this in everything we do, from personal and corporate worship to the way we relate to one another.

Loving God: Above all else we seek to obey the Great Commandment, to love God with "*heart, soul, mind and strength.*" (Luke 10) We try to express this in everything we do, from personal and corporate worship to the way we relate to one another.

Loving Others: Luke 10:27 also tells us to "love our neighbour as ourself", which means we not only love our friends and those close to us, but we also extend that love to strangers, including people in our immediate community, our city, country and even the world. Everyone we meet during the daily course of our lives provides us with a chance to show God's love. We want to love the way Jesus loves!

Serving the World: We are on a mission, a journey to bring the Good News of Jesus Christ to a lost, lonely and hurting world. We do this through some very purposeful local and global programs efforts.

BloodBorne Pathogens and Infectious Diseases

The following is a compilation of guidelines on dealing with blood borne pathogens (any microorganism or virus that can cause disease that is carried through the blood) and infectious diseases.

Studies of school and residential settings reflect a parallel between the inefficiency of transmission of bloodborne pathogens and the extent to which risk is adequately controlled by common hygienic measures. Children who have bloodborne pathogen infections should not be excluded from children's ministries activities. There is no reason for excluding Children who do not exhibit aggressive behaviour and who do not have medication conditions facilitating transmission. The benefits of an unrestricted setting outweigh the risk of the Child acquiring harmful infections. The risk of transmitting the virus to others is almost nonexistent.

1. Common infectious diseases may be contracted from dirt and waste encountered in ministry areas. Wash your hands with soap and running water at regular intervals throughout the day.
2. All bodily fluids must be treated as though they are infectious, as blood borne pathogens could be present in any Child. Confidentiality laws may prevent you from knowing those infected with the HIV (virus that causes AIDS) or AIDS virus. By treating all bodily fluids as infectious, you protect not only yourself, but others.
3. Non-latex gloves are required when handling any discharges from another person's body particularly body fluids containing blood. Hands must be thoroughly washed with soap and running water when finished.
4. Ministry Personnel who are exposed to an infected Child's body fluids and excrement should know procedures to follow to prevent transmission. Disposable diapers should be used and soiled diapers should be placed in a plastic bag before discarding. Feces can be flushed down the toilet. Non-latex gloves should be worn if open sores are present on the caregiver's hands. Any open sore on the infected child should also be covered. Hands should be washed after exposure to blood and body fluids and before caring for another Child.
5. Contaminated disposable non-latex gloves and other contaminated materials should be disposed in plastic-lined waste containers.
6. You need to develop an awareness of situations or dangers that may put you or others at risk. For instance, do not pick up broken glass with bare hands but use a brush and dustpan instead. You need to avoid punctures with objects that may contain blood from others. Carefully dispose trash that contains sharp objects. Use containers that cannot be broken or penetrated.
7. Surfaces that have blood or other potentially infectious materials containing blood on them must be cleaned with an approved disinfectant or a 1:10 solution of liquid household bleach and water. This disinfectant must be mixed daily and must sit for ten minutes before use.

Oak Park Church of Christ | Plan to Protect® Policy

8. An HBV (virus causing Hepatitis B) vaccination should be pursued within 24 hours if you have had an 'exposure incident'. An 'exposure incident' is when there is blood contact through an open sore, injury by a contaminated sharp object or by a blood splash into your eyes, nose or mouth.
9. If you are responsible for administering first aid, it is strongly recommended that you receive current instruction. For instance, the rescuer needs to use a resuscitation mouthpiece when administering CPR so that there is no direct mouth-to-mouth contact.
10. Individuals involved in the care and education of a preschool-aged Child infected with HIV, HBV, or HCV should be informed of the Child's infective status only if such knowledge is necessary to ensure proper care of the Child and to detect situations in which there is potential for transmission. Parental consent is required for the disclosure of a Child's infective status and should be made on a case-by-case basis respecting the Child's and family's right to privacy. Decisions about education and care for Children infected with the AIDS virus should be made by a team including the Child's physician, public health personnel, parents or guardian and church staff. The records of Children with AIDS should be kept confidential. Parental consent must be given to the agency releasing pertinent medical information to those administering care to the Child.
11. A more restricted environment is advised for infected preschool-age Children, for Children who cannot control their bowels or bladder, for Children who display such behaviour as biting and scratching and for infected Children who have uncovered oozing sores. These Children should be cared for and educated in settings that minimize the exposure of other Children to their blood and body fluids.

Decisions regarding vaccination of Children and workers who have contact with the Child should be discussed with public health officials.

The hygienic practices of an infected Child may improve as the Child matures, or they may deteriorate if the Child's condition worsens. For these reasons, the need for a restricted environment should be re-evaluated regularly.

Offenders Covenant

(adapted from *Smart Justice* with permission)

Dear _____,
(name of Offender)

On behalf of the leadership of Oak Park Church of Christ, I would like to welcome you to participate in the worship and congregational life of our church. We want you to know that we see you as a very important and valued part of God's family. In light of all that has taken place in your life there are some guidelines that we feel must be followed. These guidelines are not meant to be punitive but to ensure safety and peace of mind for the congregation and yourself.

- You must refrain from all contact with Children and Youth while attending church functions. This includes all verbal and written communication.
- You must not volunteer or agree to lead, chaperone or participate in events involving Children or Youth.
- You must not transport any Youth or Children as part of the ministry program of Oak Park Church of Christ.
- The Board will identify at least two "covenant partners" who must accompany you if you leave the main congregation room or if you need to go the public washrooms.
- You are to avoid being in the building unsupervised at all times. This includes all Children and Youth ministry areas and washroom areas. When entering the church, you must use the most direct route to the sanctuary area and sit in an area that is visible to your covenant partners.
- You are to abide by the terms and conditions of probation as set out by the court.
- You are not to be in any non-lit areas of the church property.
- You are welcome and encouraged to join one of our adult small groups if minors are not present and if the facilitator is made aware of the situation.
- You are to avoid befriending families of the church with minors.
- At least twice per year you are requested to meet with the Senior Pastor and a Board Member to discuss your adherence to these guidelines.

We are so grateful that you have made us aware of your situation. It shows us that there is a cooperative spirit and willingness for restoration and wholeness.
