

1. Wins over the last month

- Our team for our DR trip is all registered and is progressing through their prep work with enthusiasm.
- I was able to take most of our youth ministry team to the Alliance's annual youth worker's retreat called refresh in Columbus, OH. We have been finding this to be a valuable event to attend.
- We were able to onboard Dylan Llewellyn as a new leader this past month. He has been doing an excellent job with the teens and has already added a lot to our group.

2. Ministry challenges you are facing

- With three small kids we have been working hard to make sure that we can balance our schedules in a way that doesn't interfere with ministry.

3. Goals for the next 30 days

- Continue to work on scheduling team building events for DR (We have 2 on the calendar for March)
- Work on finishing my sabbatical proposal details (Looking at August 2026)
- Get Adult SS scheduled out with at least one more class (after Easter) nailed down
- Get details together for our Alive trip including purchasing tickets and buying campsites.
- Finalize our summer schedule
