- V. Old Business
  - Church Refresh update – carpet has been measured. We will get hard numbers. The restroom will be an epoxy floor.
    - Stout's Carpeting bid was not a realistic number.
    - Looking to start with; carpeting, landscaping and bathroom updates.
  - Keystone Family – They do not have foster families; they are the bridge. They are not yet up and running in our area. Murrys ville Community Church is currently partnering with them. Nothing has been requested of us yet. The partnership would be for us to gather a list of people that would be interested in helping. We can arrange for Jordan to present to the congregation, then have a table in the lobby. They would provide any

training that is needed.

VI. New Business

- We have a new opportunity with CMA WPA. Pastor Lu met with the church planning director. They are looking at a new way to plant churches. They are proposing to go into a legacy church – put a Greenhouse team in there with a goal to reach people that the church struggles to reach. They are looking to implement in western PA. They have identified Greensburg as a place they want to be. Pastor Lu and the board would be a sounding board. They will be using outside the box ways to reach people. The team would point them to GAC. They would also provide opportunities for people in our church to get involved. Pastor Lu will be meeting with the church planning director again soon. Greensburg is currently on the short list.

Motion to adjourn – Jayme – seconded Rusty.

**Meeting was adjourned at 7:55pm**

The next meeting of the GAC Governing Board will be held on **May 20, 2025.**
