The regular monthly meeting of the Greensburg Alliance Church Governing Board was called to order by Pastor Lu at 6:30pm in Conference Room 550.

- I. Devotion – Pastor Lu shared from one of the speakers at Christ Fellowship conference. From Proverbs 14:4, “It’s a joy to shovel!” When there are oxen in the stable it will be messy, but that mess helps to produce an abundant harvest. Ministry is the same. When you don’t have people you have no mess, but with people also come messes. That can be difficult and stressful, but the ministry within the mess is what it takes to have an abundant harvest in the lives of people. So when the mess of ministry comes, we are to joyfully say, It’s a joy to shovel!
- II. Pastor Lu opened the meeting in prayer.
- III. Adoption of Minutes – Motion to accept October minutes - Mark O. – seconded Eric.
- IV. Treasurer's Reports – It was noted that we only had three Sundays in January due to a snow storm that forced us to be closed the last Sunday of the month. It appears that most people gave their tithe the following week as the first Sunday in February was double the normal average. Motion to accept Jayme – seconded Mark O.
- V. Ministry Reports – Motion to accept all ministry reports – Mark O. – seconded Jayme.
 - A. Director of Children’s Ministries - Request was made to approve the following for children’s ministry: John Wheelus, Mike Buriok (son), Jay Murgi. Motion to approve – Bill - seconded Mark O.

 - D. Director of Administration and Discipleship – Our annual C&MA report was submitted to our District Office. Comparing 2024 to 2025, all areas, from giving to attendance to salvations and baptisms, increased this past year.

VII. New Business

- Holding an elder retreat again was brought up. Lu mentioned that this has not been done for a few years now and he agreed it would be good to do once again. He stated that he would prefer spouses to attend also. It would be a Friday evening and all day Saturday. He will look into possible locations and get back to the elders with options.
- For any elders that needed a church Master key, they were given out and recorded. Those that received a key will be added into the system for FH door and security alarm access also.
