The regular monthly meeting of the Greensburg Alliance Church Governing Board was called to order by Pastor Lu at 6:30pm in Conference Room 550.

- I. Devotion – Pastor Lu shared two devotions about St. Patrick’s Day, which was for the Pagens to find the truth about Jesus. Patrick was not a practicing believer. He was captured and made a slave. During that time, he came back to his faith. At the age of 48 he was released and began to spread the news about Jesus. He took a group of people with him and went from village to village leaving one team member behind to be the pastor. A chief complaint was that he hung out with the wrong people in the wrong places. He took the approach of taking the gospel to the unbelievers.

Devotion 2 was about a young man in Ireland who believed in God but did not follow him. His last name was Guinness. At the time, you could not drink the water due to impurities. As a solution, they started making gin to kill the germs in the water. John Wesley came to town to preach at St. Patrick’s cathedral. Arthur Guinness founded the first Sunday school in Ireland. As a business owner he offered better wages and had two doctors on staff to provide medical care for both his employees and their families.
