

May Report Lead Pastor

Wins:

A lot has happened since our last board meeting, and a lot to be excited about. God is moving here at Greensburg Alliance Church, and I am so thankful to be part of what God is doing. Since our last meeting, I have attended Network 300, and it is a wonderful time for connecting and learning. We talked about some very specific things, one of which will be very important for us to address this fall as we develop a policy on child abuse material. It is so good to learn from the church that has already had to deal with problems, which allows us to be proactive. I attended a district executive committee meeting since our last meeting, and looking at the data from the annual reports, there is a lot to be excited about. Here are some highlights.

- Greensburg Alliance has the sixth-highest attendance in our District.
- Greensburg Alliance is in the top ten in giving to the Great Commission, and percentage-wise, it is among the top churches in the country.

Challenges:

A lot of people are hurting right now. I have met with many couples over the last couple of months, and it seems as if satan is really attacking marriages.

Goals:

I am working towards getting things ready for my study break in July. I am excited as I begin to dream about the next chapter of Greensburg Alliance.
