

Lead Pastor May Board Meeting

Win's

A lot has happened since the last Board meeting. We had our largest Easter Attendance ever, with nearly 800 people between the three services. We continue to run significantly higher than in 2024 and 2019 in the weeks following Easter. While the situation was not a win, I am proud of how the Elders came together and worked through a complicated situation at the church. A personal Win, my daughter made it through her first year of nursing school, and Dylan graduated from Westminster. Pray for Dylan as he interviews with a company and is in the final stages of the process, and then will need to decide on where he will work.

Challenges

This has been a very challenging month for me. I have had to deal with many demanding situations. While you try not to take them home with you, I have found that difficult this season. I also believe there is a spiritual attack on the church and the staff. Please pray for the church and the staff. I have been holding onto the promise that God is greater and more powerful than anything the enemy can throw our way. Also, be praying for the election of the new Alliance President.

Monthly Goals

- To finish the Sermon Series strong
- Attend Alliance General Council in Columbus
- To have the Bathroom Project ready to be executed in the church.
- Practice the Sabbath more effectively.
