

Lead Pastor

November Board Meeting

Win's

It is hard to believe that I was part of my ninth congregational meeting as the Lead Pastor of GAC. As I have taken time to reflect on this, I have come to realize there is so much to be thankful for. As a church, we have had many wins, including seeing new people each week. 9 baptisms since we last met. We have had two more adults accept Jesus as a direct result of the church's ministries. God is doing amazing things, and I am so thankful to get to play a small part in all that is happening.

Challenges

There are no significant challenges at this time. I am thankful for our team and for all of you who make ministry something we get to do, not something we have to do.
